The Best Ingredients

THE best ingredients only are used in brewing Narragansett Products. The Malt, Hops, Yeast and Water of each brew are carefully analysed before being used. These analyses are supplemented by the most exacting care and watchfulness applied to every process of brewing, so that from mash-tub to keg or bottle, at every stage in its development, the brew is rigorously protected from contamination. The result is

Oxford Land Company

(Incorporated) Edwin F. Cary, Agent and General Manager, buys, sells, exchanges and improves real estate for profit of its stockholders. It maintains a building organization and will construct dwellings or business blocks for those who are seeking first-class work, accomplished in a conscientious manner and are willing to concede a ten per cent profit over the wholesale cost of labor and materials. "The Essex," a four story brick structure on Burrill street, between Westminster and Weybosset, and the residence of Mr. Cary at 670 Angell Street, as also some thirty-five other structures about town, are samples of their undertakings in this line. It is the Oxford Land Company that is responsible for the remarkable development of the Elmgrove Avenue district; also for several other similar improvements . . . .

United Land Company

(Incorporated) Edwin F. Cary, Treasurer and General Manager, is selling for cash or time, and exchanging for income property, its land well scattered over this City, State and other States. Five banks and numerous families and individuals are interested in this Company and its properties are being sold at whatever reasonable figures buyers will bid . . . . . .

The Prudential Insurance Company of America

I WISH I HAD A PAIR OF LUNGS

so big and strong that I could stand in City Hall and make myself heard by every man and woman in the state! I want to make known to all, and instantly, the wonderful merits of this new Prudential policy!

IT'S A WONDER!

There isn't an estimate in it. Somehow people don't seem to care for estimates any more—they want Guarantees—and every word and figure in the Prudential policy is Guaranteed!

I never saw a policy that would come so near Selling Itself!

All you've got to do is to show the man the policy and surprise him with the wonderfully low rate—the rates of the companies which are selling participating insurance average more than twenty per cent. higher than ours!

If you doubt this statement or think I am over enthusiastic, come in and take a look at the goods.

I want a few good agents, and as this is harvest time with us, the quicker they come the better for them and for me.

Let's have a talk about it, anyhow. Call to-morrow or next day if possible.

It's a Great Opportunity for Any Man to Take Hold of the Life Insurance Business!
