PROVIDENCE STREET DIRECTORY

COPYRIGHT, 1914, SAMPSON & MURDOCK CO., PROVIDENCE, R. I.

Giving the location of each street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list, the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No. 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Bridgham Street from 1191, showing that 1129 Westminster Street would come about half-way between Knight and Bridgham Streets.

Providence House Directory

AND FAMILY ADDRESS BOOK

COPYRIGHT, 1914, SAMPSON & MURDOCK CO., PROVIDENCE, R. I.

In this House Directory the numbers have been arranged in regular succession without distinctive reference to either side of the street. Business places are denoted by the street number printed in heavy faced figures. When a person's place of business and residence are at the same place, it is indicated by the use both of heavy faced figures for the street number and of the abbreviation h at the end of the line. Names of boarders are designated by the letter b after the name. Names preceeded by light faced figures and having no abbreviation after them are housekeepers

The abbreviation r between the street number and the name signifies "rear", but when it follows the name, "rooms"

*Denotes telephone connection

¶ The basis of our local prosperity is that we patronize one another even though indirectly.

¶ Most of the money spent for clothes here stays in our town.

¶ Most of the money spent for "ready-mades," goes elsewhere. Have your clothes tailor-made and keep the money at home.
