Do You Need a Good Salesman ?

OUR PRINTING

Makes the Best Silent Salesman—Why ?

WHEN you select a salesman, do you look for the man who is worth one thousand dollars, or the man who can earn five? When you order your PRINTING, do you seek the cheapest that "will do," or do you prefer to have your STATIONERY, ADVERTISING MATTER, ETC.—your silent salesman—to assert the individuality of your firm; to give force to your appeal; to demand consideration by its dignity?

SUN PRINT WORK

is a little further ahead in ideas, style, workmanship and quality of stock than is obtainable elsewhere.

Prices are low, considering quality. Just 'phone us—2586-4 Union—and our Salesman will call upon you.

WE BUY, sell, exchange, rent, appraise, mortgage, insure and generally manage real estate. Deal largely in business blocks and wharf properties, manufactories and sites for same, also blocks of land for speculation. We believe we understand particularly well the situation in Providence respecting this class of real estate.

We represent, as brokers, the Oxford Land Company. This Company is unusually well equipped to improve small blocks of City lots by building streets and houses. It can and does sell such holdings at prices those who are not so equipped to develop can well afford to pay for investment or speculation. If one has a house or lot not producing what it should, this Company will purchase such on a reasonable basis.

You may as well ask why should a man save money. People should own their own homes because it promotes the health and happiness of the family. It is a bond that keeps the family in perfect harmony, it makes them independent, and is a source of comfort and joy in their old age. It costs them practically no more than paying rent, and it gives them freedom not to be acquired in a rented tenement. For the amount of rent money you pay you can own an ideal home easier here than elsewhere. Yours when you grow old: yours when you appreciate a home and need one the most. Make your start now and enjoy an easy old age. City or Suburban—take your choice. Let me give you figures and show property now.

"The Sunshine Shop"

THIS is a quaint name for a Flower Store, but we chose it as being especially appropriate to our business—for where do we find Sunshine more appreciated than among the Flowers? Not only that, but we feel our work is of a sun-shiny order and well calculated to bring brightness to all those who come in contact with the beautiful Roses and Lilies.
