Integrity, Ability and Experience—Incorporated

The words printed above express in small compass the whole idea of trust company service as exemplified by the Rhode Island Hospital Trust Company.

A corporate trustee or executor like this offers you several advantages over an individual undertaking to act in similar capacities. Among the outstanding advantages are these:

Collective and Extensive Experience of a group of trustworthy men who are specialists and experts in their particular lines.

Freedom from any Personal Bias or partiality in the management of property or the handling of trusts.

Uninterrupted and Permanent Attention to the interests placed in its hands.

Strict Supervision by Banking Authorities.

And all these advantages are secured at no greater fee than that to which the individual trustee or executor is entitled.

Corporation Work Our Specialty

WE ARE ABSOLUTELY RELIABLE

NO DIVORCE CASES **NO "LIQUOR SPOTTING"**

This is not the only Honest Detective Agency in the country, but one that does not commit Crime to obtain results; hence we accept nothing but strictly legitimate cases.

Our Specialty is ***Preventing Strikes*** instead of ***Creating*** them

This is a distinction and a difference which those who have had that experience can easily comprehend. Interests of clients uppermost in our minds--always.

Ask anybody (EXCEPT CROOKS) about us We never travel with a brass band

Our Motto is: "There's No Such Word as Fail"

Only pure oak bark tanned leather is used in this quality of picker, and it is treated by a secret process, giving a maximum of resiliency in the cushion, or body where the shuttle strikes, which, it can be readily seen, represents the vital point of value in a loom picker.

The construction of this picker commends itself strongly. We should like to send all the samples you can use.

Pawtucket
A One - Newspaper City

The Pawtucket Times is located in a "one-newspaper city" and it has made good to the interests of its home people and those residing in the surrounding towns which make up its trade zone, to the extent that it has gained a paid for circulation exceeding 23,000 copies every evening.

Pawtucket and the adjoining city of Central Falls have a population of about 80,000. It is easy to understand therefore, how thoroughly the **Times** covers its own city and the adjacent towns. It is liberally patronized by Providence merchants because it furnishes the only direct method of reaching a big army of out of town and ready purchasers. There is neither waste nor duplication in its circulation, and every copy possesses a recognized purchasing power efficiency.

A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

WILL YOU HAVE A SALESMAN ON EVERY DOT?

The dots show the distribution of this edition of the NEW ENGLAND BUSINESS DIRECTORY & GAZETTEER throughout New England.
In every city, town or hamlet thus represented, from one to a hundred copies of the book were placed.

They were bought and paid for by hard headed business men for the information contained therein.
Isn't it good judgment on your part (to say the least) to make it easy for these same business men to find *you* when they are consulting the book?

Tell us to be sure and see you for registration in the next issue
