RE: Environmental Sustainability Task Force

Dear ESTF members and supporters:

After much thought, I have decided to step down from the ESTF, so that I may focus on work and other endeavors. It has been a great experience being part of the group and I have learned a lot over the last few years. I am really excited about the trajectory of the task force, especially in regards to justice, equity and diversity. I feel like I contributed to that direction and purpose which is meaningful to me.

Thank you all for the opportunity and for the great work you are all doing.

Sincerely,

David Veliz
