## A G R E E M E N T

In this Agreement entered into this 3rd day of March 19 67, by and between the City of Providence, hereinafter referred to as the City, and the American Federation of State, County and Municipal Employees, AFL-CIO, Council #70, on behalf of Local 278 hereinafter referred to as the Union, the parties hereby agree as follows:

### P U R P O S E

It is the purpose of this Agreement to carry out the personnel policy of the City of Providence in encouraging a harmonious and cooperative relationship between the City and its employees, by providing for procedures which will facilitate free and frequent communications between the City and the employees of the City of Providence.

By means of this Agreement, therefore, the signatories hereto bind themselves to maintain and improve the present standards of service to the people of the City of Providence, and agree further that high morale and good personnel relations are essential to carry out this end. The City employees, as individual members of the Union, are to regard themselves as City servants, and as such, they are to be governed by the highest ideals of honor, loyalty and integrity in all their public, personal and official relationships in order that they may merit the respect and confidence of the general public, the City Council and the Mayor.

### A R T I C L E I

#### RECOGNITION

The City of Providence hereby recognizes the American Federation of State, County and Municipal Employees, AFL-CIO, Council 70, Local 278, as the sole and exclusive bargaining agent for all City employees that are members of said Union, except those classified as pounders, pavers and rammers. Employees who are members of the Union on the effective date of this Agreement, shall, as a condition of continued employment, pay dues to the Union until October 1, 1967. His obligation to pay said dues will terminate on that date, provided he serves at least ten (10) days written notice to the Union secretary.

### A R T I C L E II

#### SENIORITY

The City shall establish a seniority list and it shall be brought up to date semi-annually and the same shall be made available to the secretary of the Union by the Personnel Director.

The City agrees in principle with the concept of seniority and further agrees that this principle and ability should be applied unless there are clear reasons for the contrary in individual instances, with respect to:

- a. Promotional Appointments
- b. Preferred Shift Vacancies
- c. Any other questions of preference among employees that may arise, but are not specifically mentioned hereinabove.

In the event of a vacancy in any position, said vacancy shall be posted on a Union bulletin board in order that employees of that department have an opportunity to apply for that position. After a reasonable amount of time, if the employee does not satisfactorily qualify for that position, the employee shall be placed in the last position he held before being promoted.

In the event a permanent employee is laid off, his name shall be placed on a re-employment list by class of position and by division and shall remain on said list for a period of fourteen months from the date of such layoff. No new employee will be hired and no employee will be transferred into any class of position within a division until all employees on such re-employment list for that class and division have been recalled to work. Upon recall and pending the return to work of the recalled employee, the appointing authority may transfer another employee to the vacant position.

All employees designated by the City Compensation and Classification Plans as permanent employees shall be considered permanent employees for the purpose of the Agreement.

The Personnel Director, for the purposes of recall, shall send a registered letter to the last known address of the employee, unless actual personal contact can otherwise be made by the Director, and the employee shall have five days from the date of the sender's receipt, or the personal contact, to reply to such recall.

If a recall to work does not reasonably assure the employee of four (4) weeks of continuous work, a failure to accept will not be considered a refusal. Upon return to work, a recalled employee shall receive that salary which applies to the position to which he returns.

Seniority shall be considered broken for all the following reasons:

- a. When an employee has been discharged for just cause,
- b. When an employee voluntarily terminates his employment,
- c. When an employee fails to respond to a recall notice,
- d. When an employee fails to report his absence from work within five working days,
- e. When an employee fails to renew a leave of absence,
- f. When an employee is laid off in excess of fourteen (14) months from the date of his most recent layoff.

Should a grievance arise over the application of this article by an appointing authority of the City, it shall be considered a grievance under the terms of this Agreement and the uses of grievance procedure shall be applicable.

### A R T I C L E   I I I

#### GRIEVANCE PROCEDURE

The purpose of the grievance procedure shall be to settle employee grievances including problems concerning working conditions on as low a level as possible and as quickly as possible to insure efficiency and employee morale. This procedure also recognizes the right of any employee to discuss with his immediate supervisor and his Union Representative any grievances or suggestions relative to his work.

By means of this procedure, therefore, both the Union and the City agree to maintain and improve the present high standards of service to the people of the City of Providence.

An employee who has a grievance must submit the grievance in writing to the Union within ten days or it shall not be considered a grievance under the terms of this Agreement.

Step 1. An employee who is aggrieved has the right to discuss his grievance with his immediate supervisor and with his chosen Union Representative. His supervisor shall have one day to submit his answer in writing to the aggrieved person and a copy of that answer shall be submitted to the Union.

Step 2. In the event the grievance is not resolved with his immediate supervisor, the aggrieved and/or his chosen Union Representative shall submit his grievance in writing to the division chief. The

division chief shall have two working days in which to give his answer also in writing to the Union.

Step 3. In the event the grievance is not satisfactorily resolved with the division chief, the aggrieved and/or his representative shall submit a grievance form in duplicate to the department director. The department director shall have three working days in which to give his answer in writing to the Union.

Step 4. In the event the grievance is not satisfactorily resolved with the department director, the aggrieved and/or his representative shall submit a grievance form in duplicate to the Personnel Director. The Personnel Director shall have three working days in which to give his answer in writing to the Union.

Step 5. If the grievance is not satisfactorily resolved with the Director of Personnel, the aggrieved and/or his representative shall meet with the Mayor. The Mayor shall have five calendar days in which to give his answer in writing to the Union.

Step 6. Arbitration: If the grievance is not satisfactorily resolved with the Mayor, the grievance shall then be submitted to arbitration within fifteen days after receiving the Mayor's decision. If the decision of the Mayor is not acceptable to Council 70 and Local 278, AFSCME, AFL-CIO, the grievance shall be submitted to arbitration. The Mayor shall designate a person of his choice. The Union shall designate a person of their choice. A third disinterested party shall be agreed upon by the Union and the Mayor of the City of Providence. The decision handed down by the arbitration panel shall be submitted to the Union and the City, and their decision shall be advisory.

Only issues arising under this contract shall be submitted to arbitration.

Union officers and stewards shall be granted sufficient time off during working hours to investigate and process grievances, without loss of pay. They shall be granted time off to negotiate new contract proposals.

Aggrieved Union employees shall be guaranteed the right to Union Representation during the course of the grievance procedure. It is recognized that no procedure can possibly foresee all situations that might occur. It is further recognized that this procedure will be as effective only as the good faith of both parties concerned. To this end it shall be incumbent upon parties to seek to settle all grievances and disputes that arise at the lowest level possible.
