Dear Ms. Stetson:

I am writing in response to your letter of July 11, 2005 regarding the petition to the City Council requesting the name change of Matthews Street to Times<sup>2</sup> Way in 02908 and Burgess Street to Thomas P. Whitten Way in 02903.

Thank you for bringing your pending proposal to our attention and affording the U.S. Postal Service the opportunity to provide you with input.

We foresee no problems with these two street name changes in their respective zip code areas.

Once again, thank you for bringing this matter to our attention.

Re: Proposed street name change from Matthews Street to Times<sup>2</sup> Way.

Dear Ms. Stetson

The Providence Fire Department's only objection to the change of name that is being proposed is in the form of the change. If they were to change the name to "Times *Squared* Way", it would be acceptable, as our computer system would accept the name. But when written with the "squared" being a superscript "2", as in "Times<sup>2</sup>" we have no way of entering this combination into our computer system which is used to dispatch emergency vehicles.

Sincerely,

Captain Anthony DiGiulio, ADSFM  
Providence Fire Prevention
