Mr. Edward P. Quigley  
President, Providence City Council  
7 Frank Street  
Providence, Rhode Island

My dear Mr. Quigley,

It has come to my attention that the recent letter, in regard to the Providence Police School Crossing Guards, read at the Council meeting on Thursday evening, March 19th, was considered derogatory by some of the Council members.

Therefore, I would like this letter to be read at the next Council meeting, and at this time I would like to publicly apologize for the original letter and assure the Council members that no offense was intended in any way.

We have been working on this matter for quite some time now, and have written several long explanatory letters to various officials, regarding the situation, and nothing has been accomplished. With this in mind, we condensed the letter, believing it would be more easily interpreted, but apparently in so doing, we temporarily lost ourselves in our problem and overlooked common courtesy.

Please accept our apology in this regard, and be assured that the Crossing Guards are only too pleased and happy with the recognition the City Council has given our plight. We sincerely ask that the Council continue its efforts in our behalf when the report is received from Commissioner Dunn.

Very truly yours,
