RE: Resolution Draft

Please be advised that the information requested in the resolution approved by the City Council asking for bussing information involves a considerable amount of research. Coming at this particular time of the year, it will be difficult for me to meet the November 13, 1998 deadline. If there is no objection I request December 7, 1998 as the new target date for submitting this information to the City Council. Please advise as to whether or not this change in date is acceptable.
