Section 1. An educational benefit program has been jointly

established by the parties and shall continue to be operative as follows:

(A) The Employer shall fund the tuition reimbursement program annually in the amount of Six Thousand Five Hundred Dollars (\$6,500). Said amount shall be paid to the Rhode Island Public Employees' Benefit Trust Fund account no later than October 1 each year. The Union shall provide the School Board annually with an accounting of said funds and the names of individuals who received said funds.

(B) Employees shall not be allowed to attend courses during normal work hours unless the Superintendent grants prior approval.

(C) Course disbursements shall be made in a fair and equitable manner and shall benefit the greatest number of employees as is practicable. Initial preference shall be to employees assigned to school buildings and educational programs. Courses that qualify for reimbursement include courses that are part of a degree-granting program, are job related, or are included in a technical, professional, GED or trade school program. To qualify for reimbursement, the employee must receive a minimum grade of "C" for undergraduate courses and "B" for graduate courses.

ARTICLE XXIV NO STRIKE - NO LOCKOUT

Section 1. Cognizant of the statutory prohibition against strikes by employees covered by this Agreement, neither the Union nor any employees covered by this Agreement shall engage in, induce, cause, or encourage any strike, slowdown, refusal to perform duties (including collective absenteeism for alleged illness), work stoppage, or withholding of services of any kind for any reason during the life of this Agreement.

Section 2. The Employer agrees that there shall be no lockouts during the term of this Agreement.

ARTICLE XXV MISCELLANEOUS

Section 1. Evaluations - Annual Evaluations - (A) Each employee shall be evaluated by his/her supervisor. The evaluation shall be in writing and a copy shall be given to the employee who shall have the right to meet and discuss the

evaluation with the supervisor. Whenever it is appropriate, the supervisor shall offer constructive criticism and make specific suggestions for correction of deficiencies.

(B) If, in the opinion of the supervisor, the evaluation is unsatisfactory, the employee will be re-evaluated in writing within a reasonable time and shall again be given an opportunity to meet and discuss the evaluation with the supervisor who will make appropriate constructive criticisms for corrective action. The employee shall have the right to have a Union representative present at this meeting, if he/she so requests.

(C) Annual evaluations are not subject to the grievance procedure. The Employer may use an evaluation as evidence of notice in a disciplinary proceeding but not as primary evidence for discipline.

Section 2. The Office of the Superintendent shall issue a memorandum with regard to the following matters:

- (A) Notice of all workshops shall be given one month in advance of the workshop.
- (B) A list of all employees in the bargaining unit containing, among other things, their names, addresses, etc., shall be forwarded to the Union annually.

Section 3. Military Service. Any employee who enters the armed forces of the United States Army, Air Force, Marine, Coast Guard or Naval Forces, Reserve Forces or in the Rhode Island National Guard or Naval Reserve, or by reason of enlistment, induction, commission or otherwise, and who has held a position in the School Department for 180 or more calendar days within the twelve months next preceding such entrance into the armed forces, is entitled to and is hereby granted military leave of absence from the said position commencing with the time of leaving said position for said purpose and continuing throughout the duration of said absence required by the continuance of service in the armed forces. Upon termination of such military service, the employee shall be entitled to all benefits provided in accordance with the requirements of all applicable federal and state laws. Such leave of absence shall be deemed to have expired six months after the date of discharge from or authorized separation from active duty as a member of the armed forces. Re-enlistment or other continued service in the armed forces resulting from a choice by the employee, shall serve to cancel such leave.

Section 4. Military Training Leave. Employees who, by reason of membership to the United States Army, Air Force, Marine, Coast Guard or Naval Reserve or the Rhode Island National Guard, are required by the appropriate authorities to participate in training activities or in active duty as a part of the state military force or special duty as a part of the federal military force, shall be granted military training leave with pay not to exceed twenty (20) days in any one calendar year. Should the employee be required to participate in such training activities for a period greater than twenty (20) days, he/she shall be granted leave without pay for days in excess of twenty (20) days. In the event any employee shall be entitled to additional military training leave compensation benefit by virtue of any City of Providence ordinance or state/federal law, the employee shall receive the greater of the contract benefit or the benefit to which he/she is entitled in accordance with the applicable ordinance or law.

Section 5. Immunization Shots. The Board will make available to all employees, without cost, annual immunization shots against influenza, provided the vaccine is available.

ARTICLE XXVI
SEVERABILITY

Section 1. Should any final decision of any Court of competent jurisdiction affect any provision of this Agreement, only the provision so affected shall become null and void; otherwise, all other provisions under this Agreement shall remain in full force and effect.

ARTICLE XXVII

Section 1. This Agreement constitutes the entire agreement and complete understanding between the Employer and the Union arrived at as a result of collective bargaining, except such amendments hereto or modifications hereof as shall be reduced to writing and executed by the parties following the execution of this Agreement.

RHODE ISLAND PUBLIC EMPLOYEES' EDUCATION AND
POLITICAL ACTION COMMITTEE DEDUCTION

I further authorize the Employer to deduct the sum of three cents (\$.03) per hour for each hour worked as a voluntary contribution to the Rhode Island Public Employees' Education and Political Action Committee (RIPEEPAC), which I understand constitutes a separate aggregate fund used for the purposes allowed under the provisions of the Rhode Island law.

Such deductions shall be made from my earned pay on each regularly scheduled pay day and shall be remitted to the designated depository at the same time and along with the Health, Pension, Annuity and Training Fund contributions.

This authorization shall become operative upon the date of each collective bargaining agreement entered into between my employer and the Union on _____, whichever is sooner and shall be irrevocable for a period of one (1) year, or until termination of the collective bargaining agreement in existence between my employer and the Union, whichever occurs sooner; and I agree and direct that this authorization shall be automatically renewed and shall be irrevocable for successive periods of one (1) year each, or between my employer and the Union, whichever shall be shorter, unless written notice is given by me to my Employer and the Local Union not more than twenty (20) days and not less than ten (10) days prior to the expiration of each period of one (1) year, or of each applicable collective bargaining agreement between my employer and the Union, whichever occurs sooner. For the effective period of this checkoff authorization and assignment, I hereby waive any right I may have to resign my union membership. Furthermore, this checkoff authorization shall continue in accordance with the above renewal and revocation provisions irrespective of my membership in the Union. Notwithstanding the foregoing, the three (\$.03) cents per hour authorization for contribution to the RIPEEPAC is subject to revocation at any time.

The above revocation must be in writing, bear the date and my signature, and be delivered to the officers of the Local Union of which I am a member and to the Employer with whom I am then currently employed.

Dues, contributions or gifts to the Local Union are not deductible as charitable contributions for federal income tax purposes. Dues paid to the Local Union, however, may qualify as business expenses, and may be deductible in limited circumstances subject to various restrictions imposed by the Internal Revenue Service.

SALARY SCHEDULE FOR ALL SCHOOL ASSISTANTS

The salaries specified are the minima and maxima for the positions described. Progression to the maxima within the position ranges specified shall be accomplished in not more than three years or as outlined in the salary schedule unless it should be decided by the superintendent that the salary of any employee covered by this schedule should not be advanced according to the schedule. In such cases notice to that effect will be given to the Business Manager and to such employees explaining the reason for such decision, which will be substantiated by written reports, a copy of which shall be filed in the Personnel Office. If the obstacles to an increase are not removed during the ensuing school year, the salary of such employees shall remain the same during the succeeding school year and thereafter until such obstacles are removed. When the obstacles are removed, the employee may resume normal progress on the schedule at the beginning of the following year. The Superintendent will file notice of the removal of cause with appropriate parties.

Progression from one assistant group to another will be according to evaluative judgments made by the Superintendent or his/her designee, providing an actual vacancy exists. Assistants who have attained sixty (60) approved college credits shall be considered for an accelerated progression by the Superintendent or his/her designee from one assistant group to another.

(APPENDIX B)
MEMORANDUM OF AGREEMENT

Entered into this day of April, 1996, by and between the Providence School Board and the Rhode Island Laborers' District Council on behalf of Local Union 1033 Teacher Assistants.

WHEREAS, the parties have concluded good faith negotiations for a new collective bargaining agreement and desire to enter into this addendum to said Agreement; and

WHEREAS, the parties hereto desire to codify their Agreement and be bound by the same, the parties hereby agree as follows:

In order to improve the quality of classroom instruction offered by Instructional Teacher Assistants in Providence Public Schools, the Providence School Department has instituted the G.A.T.E. Program - Gaining Achievement through Education. The G.A.T.E. Program will ensure that Teacher Assistants bring an appropriate level of expertise to their tasks, will require a high school Diploma or GED as a pre-requisite of employment and will also make training and higher educational opportunities available to teacher assistants, contingent upon Federal Funding in the following manner:

A) In an effort to improve the educational level of the instructional assistants and to increase their knowledge of effective and developmentally appropriate instructional methodologies and strategies, the district will provide in-house staff development sessions as well as, when Federal Funding is available, opportunities for the instructional assistants to continue their education at the Community College of Rhode Island in the Early Childhood Education\Child Development Program. Depending on the availability of Federal Funding, any instructional assistant who earns his\her Associate Degree in Education will then be offered the opportunity to attend the University of Rhode Island to work towards a Bachelor Degree in Early Childhood Education.

B) For those bargaining unit members who wish to take advantage of the G.A.T.E. Program, contingent upon Federal Funding and contingent upon the colleges' ability to set up

appropriate courses and class sessions, the bargaining unit member may do so by paying the cost of the college credit course to the Office of Federal Programs by check. The check will be held by the Office of Federal Programs and not cashed. Upon successful completion of the course requirements, including attendance and appropriate passing grade, said check will be returned to said bargaining unit member.

C) For those bargaining unit members who wish to participate in the G.A.T.E. Program, contingent upon Federal Funding and contingent upon the college's ability to set appropriate courses and class sessions, but who, due to documented financial circumstances, cannot afford or are otherwise unable to make the full tuition payment, the Federal Programs Office will advance the money to said bargaining unit member and pay the tuition and costs for said bargaining unit members' course. In order to be eligible for this advance payment by the Federal Programs Office, the bargaining unit member must document his/her inability to make the financial commitment for the course work (i.e. member has no checking account; documenting financial hardship in meeting day to day expenses if the tuition payment is made, etc.). In addition, if a bargaining unit member receives prepayment, said member will be required to meet all the attendance requirements set forth by CCRI and, in addition, must demonstrate good effort with respect to participation in this program. Should a bargaining unit member who is receiving prepayment from the Federal Programs Office fail to meet all the attendance requirements as established by CCRI, or otherwise fails to demonstrate sufficient good intention and effort with respect to this program, then said bargaining unit member shall be required, in any subsequent semester in which he/she wishes to participate in the G.A.T.E. Program to pay for said course in advance. The intent of this language is to make the individual not eligible for prepayment if attendance requirements or appropriate good intention and effort is not achieved/demonstrated by the member.

(APPENDIX C)
EMERGENCY SICK LEAVE BANK

Emergency Sick Leave Bank

The parties agree to establish an Emergency Sick Leave Bank to which all eligible members of the bargaining unit shall have access. The Emergency Sick Leave Bank is intended to provide eligible Local 1033 members with additional paid sick time when said eligible member's accrued sick leave time has been exhausted.

To be eligible to use Emergency Sick Leave Bank time:

- a) The Local 1033 member must have a documented illness or injury which is expected/anticipated to exhaust the member's accrued sick leave time.
- b) The Local 1033 member must have contributed at least five (5) sick days to the Bank, which days shall not be refunded to the member once assigned to the bank;
- c) The Local 1033 member must present a physician's note certifying the illness/injury, the amount of time anticipated to be absent, the prognosis and/or treatment and the member's anticipated date of return;
- d) Emergency Sick Leave Bank time may only be used for a member's personal illness or injury. Such time may not be used to attend to the illness of a family member or extend a member's leave of absence which is not due to personal illness;
- e) A Local 1033 member who is receiving Workers' Compensation benefits pursuant to the Rhode Island Workers' Compensation Act, benefits pursuant to the Rhode Island Temporary Disability Act, or is injured as a result of a third party shall not be eligible to apply for or receive Emergency Sick Leave Bank time to supplement that compensation;
- f) All requests for use of Emergency Sick Leave Bank time shall be made in writing at least thirty (30) days prior to the date when the time will be used, or at least fifteen (15) days prior to the eligible member beginning use of his or her own accrued paid leave time due to an illness or injury, whichever is sooner, unless that absence is unforeseen

and/or an emergency, in which case application shall be made as soon as practical after the member learns of the need for Emergency Sick Leave Bank time.

Emergency Sick Leave Bank Committee

The Emergency Sick Leave Bank shall be administered by a Committee established jointly by the Providence School Board and Local Union 1033. The Director of Personnel or his/her designees shall select one individual and the President of Local Union 1033 shall select two individuals to serve as members of the Committee. The Director of Personnel and the President of the Local Union 1033 shall be ex officio members of the Committee and shall have rights and powers granted to all members of the Committee.

All requests to use time from the Bank shall be in writing and shall be reviewed by the Committee. The Committee shall notify the member of approval or denial by mailing said notifications, certified mail return receipt requested, to the member's home address. Any decisions of the Committee regarding use, access, application and any other process or procedure concerning the Emergency Sick Leave Bank shall be final and binding upon the Providence School Board and Local Union 1033 and shall not be subject to the contractual grievance procedure or any other administrative remedy.

It shall be the Committee's responsibility to manage the Emergency Sick Leave Bank, and among other things, determine the appropriate level of accumulated days necessary to remain in the Bank in order for the Bank to be viable. Should the accumulation of days in the Bank fall below a minimum level which the Committee deems necessary to effectively administer the Bank, the Committee may request Bank members to make an additional contribution. Where an additional contribution is requested, each member of the Bank wishing to retain membership shall assign the required number as determined by the Committee. Where a member of the Bank wishes to retain membership, but has exhausted his/her sick leave and is unable to make the necessary required contribution, said member shall assign an equivalent amount of sick leave as of the date on which said member next accrues sick leave in a sufficient quantity to make the donation.

Membership in the Emergency Sick Leave Bank shall be pursuant to rules drafted by the Committee. New members may join the Emergency Sick Leave Bank each year, at times designated by the Committee, by assigning no less than five (5) full pay sick leave accumulated days to the Bank. Current members of the Bank

may make additional contributions to the Bank during periods designated by the Committee.

Eligible Local 1033 members requesting to use time from the Bank may make an initial request of no more than sixty (60) days. Extensions of use of Emergency Sick Leave Bank time may be made to the Committee. Any extension request must be documented pursuant to rules as designated by the Committee.

Forms for Local Union 1033 members to donate time to the Emergency Sick Leave Bank and to make application to use Emergency Sick Leave Bank Time shall be determined by the Committee and shall be available at the Department of Personnel and the Office of Local Union 1033 with copies being retained in each office.

DIRECTOR OF FINANCE

DAVID N. CICILLINE
MAYOR

Finance Department
"Building Pride in Providence"

October 2, 2008

Councilman John Igliazzi,
Chairman, Committee on Finance
C/O City Clerk's Office
Providence City Hall
Providence, R.I. 02903

Dear Chairman Igliazzi:

For your consideration are the fiscal notes relative to the Teacher Assistants' Local 1033 contracts. These contracts were ratified by the Providence School Board on September 15, 2008 by a vote of nine in favor, zero opposing. It should be noted that many of the articles of these agreements are consistent with those contained in the International Labor's Union 1033 contracts.

It is estimated that the total fiscal impact for the three year duration of the contract will total \$1,000,000 of which \$1,297,000 will result from increases in salaries and benefits, \$58,000 will result from increases in contributions to the Union Trust Fund and \$355,000 will result from savings in health care costs. The schedule below outlines these savings.

	FY 2009	FY 2010	FY 2011	Total
Salary and Benefits	367,000.00	560,000.00	370,000.00	1,297,000.00
Health Care	(80,000.00)	(100,000.00)	(175,000.00)	(355,000.00)
Union Trust Fund	(55,000.00)	83,000.00	30,000.00	58,000.00
Total Fiscal Impact	232,000.00	543,000.00	225,000.00	1,000,000.00

The following is a summary of the changes proposed in these agreements.

Fiscal Notes; International Labors' Union Agreements

Agreement I; Fiscal Year 2008;

This contract calls for a one percent (1.00%) wage increase effective June 1, 2008. It should be noted that this wage increase is not retroactive and therefore only impacts the month of June 2008. This increase will result in the City incurring additional salary expenditures of approximately \$11,000 for FY2008.

Agreement II; Fiscal Years 2009 through 2011;

- **Article 1- Duration:**
This article specifies the duration of the agreement to be effective July 1, 2008 through June 30, 2011.
- **Article 2- Consolidations:**
Recognizing the continuing requirement to provide the most effective and efficient public services, the parties hereto are committed to meet and confer in good faith to address the needs of the City and its Citizenry and all methods of providing services to the Citizenry including consolidated City Departments and Agencies as well as Offices and Divisions of the School Department and those of the City.
- **Article 3- Elimination of "General School Assistants" classification:**
This article amends the previous agreement by deleting the classification category "General School Assistants" as reflected in Article I, Section 1(A) and replaces it with "Instructional Teacher Assistants."
- **Article 4- In Service Training:**
This article provides for seven hours per year of professional development. If training is provided outside the regular work week, employees shall receive straight time wages for their attendance. The Superintendent shall determine the training curriculum.
- **Article 5- Pre-Appointment Assistant Requirements:**
Employees shall have the requisite certification as required by State and Federal legislation.
- **Article 6- Financial Package:**
This article provides for wage increases for the Labors' International Union, Local 1033, union membership.

Fiscal Notes; International Labors' Union Agreements

- The agreement provides for two wage increases for FY 2009. The first represents a 1% wage increase and is effective July 1, 2008. The second represents a 1% wage increase and is effective January 1, 2009.
- The agreement provides for two wage increases for FY 2010. The first represents a 2% wage increase and is effective July 1, 2009. The second represents a 1% wage increase and is effective January 1, 2010.
- The agreement provides for one wage increase for FY 2011. This represents a 2% wage increase and is effective July 1, 2010.

As outlined in the above schedule, the total financial impact for the aforementioned increases totals \$1,297,000.

- **Article 7- Accrual of leave:**

- This article provides for the elimination of accruing leave. Effective with this contract, employees will no longer accrue leave after 26 weeks of being on unpaid leave. The exception to this is for those employees who are out due to medical reasons. The financial impact of this article is contingent on the number of people who elect to go out on unpaid leave.

- **Article 8- Health and Welfare:**

- This article provides for increasing the co-pay for Chiropractic, Skilled Nursing, Home and Hospice Care to \$20.
- This article provides for increasing the deductible for inpatient and outpatient care to \$100 per visit with annual caps of \$200 per individual coverage and \$300 per family coverage.
- This article provides for increasing employee co-shares, however, these new rates do not apply to crossing guards.
 - With the effective date of this contract individual plans will increase to .01 of base wages and shall not exceed \$400 per year. Additionally, family plans will increase to .025 of base wages and shall not exceed \$1,000 per year.
 - Effective July 1, 2008, individual plans will increase to .011 of base wages and shall not exceed \$600 per year. Additionally, family plans will increase to .0255 of base wages and shall not exceed \$1,350 per year.
 - Effective July 1, 2009, individual plans will increase to .013 of base wages and shall not exceed \$750 per year. Additionally, family plans will increase to .0265 of base wages and shall not exceed \$1,600 per year.

Fiscal Notes; International Labors' Union Agreements

- Effective July 1, 2010, individual plans will increase to .0145 of base wages and shall not exceed \$900 per year. Additionally, family plans at .0285 of base wages not to exceed \$1,900 per year.
- Effective July 1, 2008, new employees shall no longer receive Retiree Post Medicare health benefits paid by the City.

In lieu of this benefit, new employees shall be responsible for contributing \$.05 per hour to a Health Savings Account. The City shall not be responsible to contribute to this account and as such there is no fiscal impact.

The City anticipates realizing approximately \$355,000 in savings based on the above changes in co-pays and employee contributions.

- **Article 9- Union Benefit Trust:**
 - This article provides for the City to make contributions to the Union Benefit Trust Funds as outlined below.

Effective Date	\$Amount to Union Benefit Trust Fund per straight hour worked	\$Amount to Rhode Island Public Employee's Training Fund per straight hour worked	Total
July 1, 2008	2.65	0.03	\$2.68
July 1, 2009	2.75	0.03	\$2.78
July 1, 2010	2.79	0.03	\$2.82

Between fiscal years' 2008 and 2009, there is a \$.07 decrease in the City's contribution which yields \$55,000 in savings for FY 2009. Thereafter, the increases in the contribution rate totals \$113,000 for the remaining two years of the contract. The fiscal impact for the above changes total \$58,000 over the three year duration of the contract.

- **Article 10- Duration and Termination:**
 - This article shall be effective from July 1, 2008 to June 30, 2011. This article also provides the ability for either party to terminate the agreement with notice and allows for negotiations to proceed no later than sixty days after the termination of the agreement.
