RE: Resolution No. 174  
3/23/77

Gentlemen:

The Traffic Engineering Department has received the above resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the posting of "No Through Trucking" signs along Duxbury Street, from Killingly Street to Plainfield Street, excepting for local deliveries.

Disposition: A traffic survey of this area has indicated that such a restriction would not be feasible in this area.

Very truly yours,
