SUBJECT: Referral No. 1442 - ZONING CHANGE AT HUNTINGTON, HOMESTEAD  
AND CALHOUN AVENUES

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Thursday, May 13, 1965.

This referral is a request to amend the Zoning Map which is part of the Zoning Ordinance by changing from an R-3 General Residence Zone to a M-1 General Industrial Zone, lots 290, 287, 288, and 289 as set out and delineated on City Assessor's Plat 43; said lots being situated at Huntington, Homestead and Calhoun Avenues.

Inspection and photographic survey revealed that the property in question contains a vacant gasoline station and parked cars. In the surrounding neighborhood are residences in poor condition and several general industrial uses.

The Master Plan recommends this area as medium density residential and the Community Renewal Program proposes rehabilitation of the existing residential structures. Therefore,

The Commission

VOTED: To have an immediate survey of the area and results brought before the Commission for rezoning.

Very truly yours,

Dieter Hammerschlag  
Deputy Director  
City Plan Commission

SUBJECT: Referral No. 1471 - ZONING CHANGE AT HUNTINGTON AVENUE AND MADISON STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Thursday, September 9, 1965.

This referral is a request to change from an R-3 General Residence Zone to a C-4 Heavy Commercial Zone, Lots 5 and 6 as set out and delineated on Assessor's Plat 43; said lots being situated at Huntington Avenue and Madison Street.

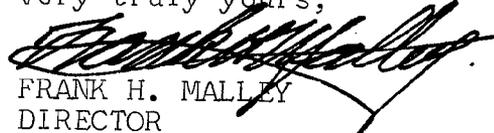

On an inspection and photographic survey it was determined that the property in question contained a one-story masonry garage used for auto electric and auto repairing and has used cars parked on the remaining portions of the lots.

This is a clear case of spot zoning. Granting of this petition would start a precedent for further spot zoning. Therefore,

The Commission

VOTED: To recommend that this petition be denied.
