The Honorable John Lombardi
City Council President
Providence City Hall
25 Dorrance St.
Providence, RI 02903

Dear Council President Lombardi,

Please join me in urging the Commission on Reapportionment and the General Assembly to adopt redistricting plans that maintain equitable representation for the City of Providence in the General Assembly. Providence is the capital city of the State of Rhode Island. The city is the economic engine of the state generating more than 600 million dollars per year in tax revenue. The City of Providence is New England's second largest city, and its growth is double that of any other city in the state.

A city with this much growth faces unique urban issues. The city is rich in its diversity and is home to vast numbers of individuals from many racial, ethnic and economic backgrounds. It is imperative that the state legislature reflect the broad spectrum of these diverse constituencies.

I greatly appreciate your consideration of this matter and look forward to working with you on this issue of utmost importance.

Sincerely,

VINCENT A. CIANCI JR.
Mayor of Providence
