

THE CITY OF PROVIDENCE  
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

RESOLUTION OF THE CITY COUNCIL

No. 332

Approved May 17, 1957

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Inspector of Buildings subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated, viz:

Ward 4: Loreto and Domenico Silvestro, 494 Douglas Avenue, Plat 119, Lot 54, 1-2,000 gallon gasoline storage tank, making 6,000 gallons total storage capacity upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Inspector of Buildings or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Inspector of Buildings subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated, viz:

Ward 13: C. D'Errico, Inc., 178 Atwells Avenue, Plat 26, Lot 335, 1-1,000 gallon gasoline storage tank and one gasoline filling pump, making 4,500 gallons total storage capacity and four filling pumps upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Inspector of Buildings or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.
