It is enacted by the General Assembly as follows:

SECTION 1. Whenever the city council of the city of Providence shall judge that public necessity requires the taking of land for the purpose of erecting or constructing thereon a building or buildings to house the administrative offices of the water supply board of said city of Providence or any other department or agency of said water supply board, said city council shall proceed in the following manner: Said city council shall, within six months from the date of the passage of the resolution by said city council judging that public necessity requires the taking of land for the purpose of erecting or constructing thereon a building or buildings to house the administrative offices of

the water supply board of said city of Providence or any other department or agency of said water supply board, cause to be filed in the office of the recorder of deeds of said city a description of the land so required and also a plat thereof and a statement that the same is taken pursuant to the provisions of this act, which description and statement shall be signed by the mayor of said city, and upon the filing of such description and statement the title of such land shall vest in the city of Providence for the purposes aforesaid; and said city thereupon by its chief engineer of the water supply board, or other authorized agent or agents, may take possession of said land and improve the same for the purposes aforesaid; and after the filing of such description and statement, notice of the taking of such land shall be served upon the owners of and persons having an estate in and interested in such land by the city sergeant of said city or his deputy leaving a true and attested copy of such description and statement with each of such persons personally, or at their last and usual place of abode in this state with some person living there, and, in case any of such persons are absent from this state and have no last and usual place of abode therein occupied by any person, such copy shall be left with the persons, if any, in charge of or having possession of such land taken of such absent persons, and another copy thereof shall be mailed to the address of such absent persons if the same is known to said officer; and after the filing of such description and statement, the city clerk of said city shall cause a copy of such description and statement to be published in some newspaper or newspapers published in said city at least twice a week for three successive weeks; and if any party shall agree with said city for the price of the land so taken, the same shall be paid to him forthwith by said city. Until otherwise provided by said city council, the board of contract and supply of said city shall have general authority to represent said city and to make any agreements for said city hereunder and to do any acts or things necessary or incidental to executing any settlements and agreements, but not to any extent or in any manner inconsistent with any of the provisions of this act.

SECTION 2. Any owner of or person entitled to any estate in or interested in any part of the land so taken, who cannot agree with said city for the price of the land so taken in which he is interested as aforesaid, may, within three months after personal notice of said taking, or, if he have no personal notice, may within one year from the filing of the description and statement referred to in section one of this act, apply by petition to the superior court in and for the county of Providence, setting forth the taking of his land and praying for an assessment of damages by a jury. Upon the filing of said petition the said court shall cause twenty days' notice of the pendency thereof to be given to said city by serving the mayor of said city with a certified copy thereof, and may proceed after such notice to the trial thereof; and such trial shall determine all questions of fact relating to the value of such land and the amount thereof, and judgment shall be entered upon the verdict of such jury and execution shall be issued therefor. In case of conflicting claims to such land by any two or more petitioners, said court may set down the petitions of such petitioners for trial at the same time by the same jury, and may frame all necessary issues for the trial thereof.

SECTION 3. In case any owner of or person having an estate in or interested in such land, shall fail to receive personal notice of the taking of such land, and shall fail to file his petition as provided in section two of this act, said court in its discretion may permit the filing of such petition subsequent to said period of one year from the filing of such description and statement: PROVIDED, such person shall have had no actual knowledge of the taking of such land in season to file such petition; AND PROVIDED said city, after the filing of such description and statement, shall not have paid any other persons claiming to own such land the price or value of the same, or be liable to pay for the same under any judgment rendered against said city under the provisions of this act.

SECTION 4. If any lands, or any interests therein, in which any infant or other person not capable in law to act in his own behalf is interested, are taken by said city under the provisions

of this act, said superior court, upon the filing therein of any such petition by or in behalf of such infant or other person, may appoint a guardian ad litem for such infant or other person, and such guardian may appear and be heard in behalf of such infant or other person; and such guardian may also, with the advice and consent of said superior court and upon such terms as said superior court may prescribe, release to said city all claims for damages for the lands of such infant or other person or for any such interests therein. Any lawfully appointed, qualified and acting guardian of the estate of any such infant or other person, with the approval of the court of probate within this state having jurisdiction to authorize the sale of lands within this state of any such infant or other person, may, before the filing of any such petition, agree with said city upon the amount of damages suffered by such infant or other person by any taking of his lands or of his interests in any lands and may, upon receiving such amount, release to said city all claims of damages of such infant or other person for such taking.

SECTION 5. This act shall take effect upon its passage.

SEC. 3. This act shall take effect upon its passage.

CHAPTER 1859.

An Act in Amendment of Chapter 1750, Public Laws of 1946.

It is enacted by the General Assembly as follows:

SECTION 1. Section 1 of chapter 1750 of the public laws, 1946, entitled, "An act declaring that an acute housing shortage

exists in the city of Providence, and authorizing said city to contract with the Providence housing authority and to issue bonds in the sum of two million five hundred thousand ($2,500,000.00) dollars for the purpose of aiding and assisting said authority in the development of any housing project with a view to providing homes for returning members of the armed forces, or for the purpose of carrying out any housing project inaugurated by said city through such commission or agency as the city council of said city may designate," is hereby amended to read as follows:

"Section 1. It is hereby declared that an acute housing shortage exists in the city of Providence so that many families and particularly veterans and their families and families of servicemen are unable to obtain housing, and therefore, a public exigency, emergency and distress now exists, and the providing of housing for such persons constitutes a public use and purpose for which public money should be spent and private property acquired, and is a governmental function of state concern. To remedy the situation, the city of Providence and the housing authority of the city of Providence, Rhode Island are hereby authorized to enter into any and all contracts and agreements which may be necessary to carry out the purpose of aiding and assisting said housing authority of the city of Providence, Rhode Island in the development of any housing project in the city of Providence; and without intending to limit the generality of the foregoing, said assistance may be in the form of a gift, subsidy, guarantee, loan or assignment to said housing authority of the city of Providence, Rhode Island, the federal public housing authority or other governmental agency or any combination thereof. And said city is authorized to carry out housing projects through other agencies of said city."

SEC. 2. Section 5 of said chapter 1750 of the public laws of 1946, is hereby amended by adding thereto the following sentence:

"The provisions of this section shall not apply to the housing authority of the city of Providence, Rhode Island."

SEC. 3. Section 6 of said chapter 1750 is renumbered section 7, and said chapter 1750 of the public laws of 1946 is further amended by adding the following section:

Sec. 6.

"In connection with carrying out the purposes of this act, any housing authority is authorized to provide suitable public housing primarily for veterans and their families and the families of servicemen, free from the restrictions imposed by section 9 of chapter 344, general laws, 1938, and sec. 9C of chapter 726, public laws of 1939, insofar as said sections may restrict any housing authority to low income housing and the observance of certain duties relating to rentals and tenant selection."

SEC. 4. The voters of the city of Providence having authorized the issuance of the aforesaid bonds at the general election held on November 5, 1946, any further requirement for approval by the voters, whether by charter or special law, is hereby waived.

SEC. 5. This act shall take effect upon its passage and all acts or parts of acts inconsistent herewith are hereby repealed.

CHAPTER 1897.

An Act in Amendment of Section 18 of Chapter 1278 of the Public Laws, 1915, Entitled "An Act to Furnish the City of Providence With a Supply of Pure Water", as Amended.

It is enacted by the General Assembly as follows:

Section 1. Section 18 of chapter 1278 of the public laws, 1915, entitled "An act to furnish the city of Providence with a supply of pure water", as amended by chapter 1815 of the

public laws, 1931, by chapter 1966 of the public laws, 1932, and by chapter 2316 of the public laws, 1936, is hereby further amended to read as follows:

"Sec. 18. Said town of Scituate, the city of Cranston, and each water and fire district therein now or hereafter incorporated, and each other town, city or water or fire district now or hereafter incorporated having any of its territory included in the drainage district of said north branch of said Pawtuxet river, or of the drainage district of said Pawtuxet river below the junction of the north and south branches of said river, the entire towns of North Providence, Smithfield and Johnston and each water or fire district therein now or hereafter incorporated, even though its territory or territories are not included in either of said drainage districts shall have the right to take and receive water from said storage reservoir or reservoirs for use for domestic, fire and other ordinary municipal water supply purposes in the town of Scituate or the city of Cranston, or such water or fire district therein, or in any part or parts of such territory or territories of such other town, city or water or fire district as are included in either of said drainage districts, or the towns of North Providence, Smithfield, and Johnston, or such water or fire districts therein, even though such territory or territories are not included in said drainage districts. The city of Warwick or any water or fire district therein shall have the further right to take and receive water as aforesaid for use as aforesaid in any part of its territory lying easterly of the New York, Providence and Boston railroad line of the New York, New Haven and Hartford Railroad Company and northerly of Greenwich bay, and said city shall also have the right to take and receive water as aforesaid for use as aforesaid in that part of its territory lying westerly of the New York, Providence and Boston railroad line of the New York, New Haven and Hartford Railroad Company, southerly of Main street, Greenwood, easterly of the Pontiac road and northerly of Main street in the village of Apponaug.

It is provided, however, that as to the entire town of Smithfield and such parts of the towns of North Providence, Johnston

and Warwick, and such water or fire districts therein as were not entitled to water under chapter 1278 of the public laws of 1915 as originally enacted, the city of Providence, acting by and through its commissioner of public works for the time being, shall have the right to determine whether it shall sell the water directly to prospective water users or consumers at retail or to the town or water or fire district therein at wholesale rates. Proper connections with said water supply source or sources, including the installation of proper meters or other devices for ascertaining the quantity of water so received, shall be made at such suitable location or locations as shall be approved by the officer or officers in charge of the water works of said city of Providence, and at the expense of the town, city, district or water users desiring to receive such water, and subject to such reasonable rules and regulations as from time to time may be made by said city of Providence or its duly authorized officer or officers in charge of its water works. Such town, city or water or fire district or water users or consumers shall have the right to take such water as aforesaid to any extent each month not exceeding an average per day of one hundred gallons per capita of the number of inhabitants of such parts of its territory or territories as are served from such water supply source or sources, as such number of inhabitants was shown by the last preceding census of the United States or of the state of Rhode Island, unless and to the extent and for the time only that said officer or officers of said city of Providence shall consent to the taking by such town, city or water or fire district or water users of a greater quantity of such water. Whenever any such town, city or water or fire district receives water wholesale, such town, city or water or fire district shall pay to said city of Providence such fair wholesale rates or charges for the quantity of water taken by it as aforesaid, and at such times, and the rates fixed to continue during such periods, as may be mutually agreed upon, or in default of agreement as shall be determined by three arbitrators, one to be chosen by it, one by said city of Providence and the third by the two so chosen, or in case either party should refuse or neglect to appoint such arbitrator, or in case the two

arbitrators chosen by the parties should refuse or neglect to appoint the third arbitrator, said superior court for Providence county, upon petition of either party and after giving the other party opportunity to be heard, shall appoint such arbitrator or such third arbitrator as the case may be. And it is provided, further, that in case the city of Providence as hereinbefore provided elects to sell water directly to water users or consumers, the commissioner of public works for the time being of the city of Providence shall have the right to determine the rate at which said water shall be sold. Said city of Providence may furnish water from such water supply source or sources to any incorporated water company for use as aforesaid in either of said drainage districts or in the towns of North Providence, Johnston or Smithfield in any part of the territory that is supplied by such water company.

The city of Providence shall not be required to serve structures at elevations higher than the head characteristics of the present Neutaconkanut pumping station.

The city of Providence shall not be obligated to pay for repairs to highways or roads occasioned by the laying of water pipes in state or city or town highways or roads outside the city of Providence.

The city of Providence shall be liable in damages for any injuries or damages occasioned by the laying of water pipes in state or city or town highways outside the city of Providence to the same extent that it is liable for injuries or damages occasioned by the laying of water pipes in highways or roads inside the city of Providence; *provided, however,* that the city of Providence shall not be so liable for such injuries or damages in any case where written notice of the intention of the city of Providence to lay water pipes at the point in the highway or road where the accident or other occurrence giving rise to such injuries or damages occurs shall have been delivered to the head of the department of public works or other person occupying a similar position in the state, city or town in which such accident or occurrence occurs, not more than seventy-two hours

and not less than twenty-four hours prior to the time when the work of laying such water pipes is commenced.

The city of Providence shall be exempt from local taxes on all pipe lines and other water works appurtenances hereinafter located or installed for the purpose of serving areas not heretofore served by the Providence water system.

The city of Providence, acting by and through its commissioner of public works, in the event of drought or any other contingency which may oblige the city to protect or conserve its water supply, may regulate the amount and use of water to be served to any and all persons, corporations, towns, water companies, water districts or fire districts; and the city of Providence may entirely discontinue to supply water to any area not included within the provisions of chapter 1278 of the public laws of 1915 as originally enacted, upon twelve months' previous notice in writing to the corporation, town, water company, water district, or fire district as the case may be, or to the persons therein receiving such supply."

SEC. 2. This act shall take effect upon its passage and all acts and parts of acts inconsistent herewith are hereby repealed.

It is enacted by the General Assembly as follows:

SECTION 1. The city of Providence is hereby authorized and empowered, in addition to and not in substitution for authority

previously granted, to issue, in addition to the bonds heretofore issued and now outstanding, under its corporate name and seal, serial bonds in any form which the city council of said city may approve in an amount not exceeding $1,500,000. Said bonds shall be of any denomination not exceeding $20,000 each, shall bear interest at a rate not exceeding three (3) per centum per annum, payable semi-annually; the principal thereof and the interest thereon shall be payable in any coin or currency of the United States of America, which at the time of payment is legal tender for public and private debts, and the debts incurred by said bonds shall be obligatory on said city in the same manner and to the same extent as other debts lawfully contracted by said city. The dates of maturity of said bonds shall, in no case, be more than twenty-five (25) years after date of issue and not less than three and one-half percent nor more than six and one-half per cent of the principal amount of said bonds issued shall become due and payable in any one year; provided, however, that no bonds issued under the provisions of this act shall mature within five years after the date of issuance nor later than the year 1980.

SEC. 2. Said bonds shall be signed by the city treasurer and countersigned by the mayor of the city of Providence, and shall be issued and sold at such times and in such amounts as the city council of said city shall determine; provided, however, that the premiums, if any, arising from the sale of said bonds shall be applied to the payment of the principal of said bonds in the order of their maturity. The proceeds arising from the sale of the bonds authorized by this act shall be delivered to the city treasurer, and such proceeds, except as hereinbefore provided in respect to the premiums arising from the sale thereof, shall be expended for the purpose of acquiring, developing and improving school athletic fields in the city of Providence, including the purchase or condemnation of land for such purposes. No purchaser of any of said bonds, however, shall be in any way responsible for the proper application of the proceeds derived from the sale thereof.

SEC. 3. Whenever the city council of the city of Providence shall judge that public necessity requires the taking of land

or land and improvements for such school athletic field purposes, said city council shall follow the procedure set forth in chapter 2118 of the public laws, 1921, entitled "An act relating to the taking of land in the cities of Providence and Pawtucket, for highway purposes", and shall have all the powers and duties and be subject to all the provisions of said act so far as the provisions thereof may be applicable to the taking of land or land and improvements for school athletic field purposes, including the provisions for acquiring or taking in fee more land or property than is needed for actual construction.

SEC. 4. The city of Providence shall annually appropriate a sum sufficient to pay the interest upon the bonds issued and outstanding under the authority of this act, and also to pay the principal of the bonds maturing in any such year, until said bonds are paid in full. All obligations of said city which are incurred under authority of this act shall be exempted from the operation of section 25 of chapter 329 of the general laws of 1938.

SEC. 5. The voters of the city of Providence having authorized the issuance of the aforesaid bonds at the general election held on November 5, 1946, no further approval by the voters shall be required, notwithstanding the provisions of the Providence charter act of 1940, or any amendment or addition thereto.

SEC. 6. This act shall take effect upon its passage and all acts or parts of acts inconsistent herewith are hereby repealed.

No. 1. Resolution Adopting Rules of the City Council for 1947-1948.

(Approved January 6, 1947.)

RESOLVED, That the following Rules be and they are hereby adopted as the Rules of the City Council for the ensuing term 1947-1948:

Rule 1. The President, and in his absence the President pro tempore of the City Council, shall preside. In case of the absence of both the President and President pro tempore or the inability of both of them to discharge the duties of the office of President, the City Council shall elect one of its other members to perform such duties during the absence or disability of both the President and the President pro tempore.

Rule 2. The City Council shall hold regular meetings in the Council Chamber of the City Hall at 8 o'clock P. M. on the first and third Thursday in each month, excepting, however, the months of June, July and August, when summer recess is held, and during said months of June, July and August the City Council shall hold meetings at 8 o'clock P. M. on the first Thursday of said months. All meetings of the City Council shall be open to the public; but the City Council may upon the affirmative vote of two-thirds of its members authorize an Executive Session. If any regular meeting day shall fall on a legal holiday the meeting shall be held on the day following.

Rule 3. Special meetings of the City Council shall be called by the City Clerk, or in his absence by one of his assistants thereunto duly authorized by said City Clerk or by said City Council, upon the written request of the Mayor, or of one-

sixth of the members of the City Council. Notice of any special meeting shall be served personally on each member, or at least two days' notice thereof shall be given each member in any other manner prescribed by Ordinance.

Rule 4. At all special meetings called by the Mayor or the City Council or the City Clerk as provided for in Section 20, Chapter 832, Public Laws of 1940, the first order of business shall be the special business for which such meeting is called and shall be taken up and exclusively considered until it is finally acted upon or considered at such meeting, and no other business shall be acted upon or considered at such meeting except by the consent of a majority of the whole number of members elected to the City Council.

Rule 5. The President shall take the chair at the hour designated for the meeting of the City Council, and shall promptly call the members to order. A majority of all members of the City Council shall constitute a quorum. A less number of members of the City Council than a quorum may adjourn from time to time and compel the attendance of absent members in such manner and under such penalties as may be prescribed by Ordinance. The President shall preserve decorum and order; he shall decide all questions of and point of order subject to an appeal to the City Council by any one member. No other business shall be in order until the question on appeal shall have been decided by a majority of the members present. He may speak on points of order, in preference to other members. He may speak on general questions as other members, but he shall take the floor to do so.

Rule 6. The President of the City Council shall distinctly put every question. On all Ordinances, Resolutions and questions in relation to and involving the expenditure of City Funds, the selling and leasing of City Property and acting on the Mayor's veto the vote shall be by roll call. The "Yeas" and "Nays" of the members of the Council shall, at the desire of one-sixth of those present be taken and entered on the records of said City Council. After a roll call vote has been ordered, said roll call shall not be interrupted, delayed or stopped by the

President or any member of the Council for any reason whatsoever, including points of order, personal privilege or for a member to explain his vote. After the roll call and before the President announces the result any member may change his vote. All roll calls shall be taken alphabetically, except that the name of the President of the Council shall be called first. In case of a tie vote the motion is not carried or passed. No motion shall be debated until it has been seconded. A member may explain his vote only with the unanimous consent of the body. Any motion may be withdrawn by the mover at any time before the taking of a vote thereon or before an amendment is made to such motion.

Rule 7. Any member desiring to speak, shall address the President, and after his right to speak has been recognized he shall not be interrupted, while speaking, except by a call to order, or for the correction of a mistake, or to yield to a member. He shall confine his remarks to the question under debate and shall avoid personalities. No member shall speak more than once on the same question, until all other members desiring to speak thereon shall have done so, and in no event, shall a member speak more than twice on any question. There shall be no conversation among members while a member is speaking, while a roll call is being taken, while any paper is being read or while a question is being stated by the President.

Rule 8. The President shall enforce order and decorum among persons outside the rail and any person addressing the City Council by permission or by request shall, while speaking, be subject to the same rules and shall be entitled to the same privileges of order as pertain to a member of the City Council; provided, however, that a member of the City Council may interrupt such speaker for the purpose of asking a question or of obtaining information. No persons, other than the Mayor, members of the City Council, members of the City Clerk's Office, members of the City Sergeant's Office, members of the Law Department and members of the press shall be allowed inside the rail and on the floor of the City Council, without receiving an invitation from the President, or from a member of the

City Council through and with the approval of the President. Mr. Oatley attended Point Street School and Roger Williams Junior High School prior to his enlistment in the naval forces of his country. He participated in action in Saipan and Okinawa, and was awarded the Air Medal for meritorious service while in action against the Japanese. While attempting to mount a moving vehicle he sustained injuries which caused his death in the United States Naval Hospital on Guam.

John I. Langan, son of Catherine Langan of 448 Public street, joined the army on February 9, 1943, and in June of the same year was shipped to England as a member of the 29th Infantry Division.

Pvt. Langan after his induction into the armed forces never returned home again. Gaul was an active participant in C. Y. O. activities in his native city, and was employed by a local jewelry firm before he was inducted on September 28, 1943. On the day following his induction he was transferred into the Marine Corps Reserve and received his basic training on Parris Island with the 6th Marine Division—4th Battalion. He was sent to Guam and from there participated in the invasion of Okinawa. While on a combat mission he was wounded by sniper fire, and expired at the Field Hospital in Okinawa on April 14, 1945. The remains of Pvt. Gaul now rest in the 6th Marine Division Cemetery in Okinawa, a Combat Infantryman, one of four brothers who saw active service with the armed forces of their country. No. 160. Resolution Extending Felicitations to Alice W. Hunt Upon Her 75th Birthday.

(Approved February 24, 1947.)

Whereas, Sunday, February 16, 1947 marked the 75th Anniversary of the birth of Alice Winsor Hunt, whose lifetime of service to the people of her city, state and nation is an inspiration to right-thinking people everywhere; and

Whereas, A motto adopted early in life "'Not to be ministered unto, but to minister" has ever been uppermost in her mind, enabling her to win and hold the friendship and confidence of people in all walks of life and of all races and creeds; and

Whereas, Especially to the inarticulate shop worker, to the underprivileged citizens, and to the oft-forgotten minorities, her counsel and assistance has been the means of attainment to their social betterment; and

Whereas, Her clear thinking, tactful persuasion and untiring efforts have placed her in the forefront of progressive liberals whose years of striving have reached fruition in the last decade by the enactment and enforcement of legislation designed to prohibit the Sweat Shop, to limit the working hours of women and juveniles and to eliminate unhealthy conditions in mills and factories; and

Whereas, Her efforts in behalf of world peace and the outlawing of war have carried her throughout this nation and to the European continent, endearing her to everyone; and

Whereas, Her native City of Providence has benefited on many occasions through the community activities which she has sponsored and supported;

Now, Therefore, Be It Resolved, That this City Council of the City of Providence, being ever mindful of the distinguished service she has rendered and proud of the record she has accomplished, extends to Miss Alice W. Hunt the sincere gratitude of the people of Providence and hearty congratulations on her birthday anniversary, with the hope and trust that Divine Providence will provide her with many more years to continue her work of Good Will to all men.

RESOLVED, That the following Minute on the life and character of the late Timothy E. O'Neil, who died February 28, 1947, be and the same is hereby adopted, ordered inscribed on the records of the City Council and a copy transmitted to the family of the deceased.

MINUTE

The inscription on the dedicatory stone at Tim O'Neil Field, Roger Williams Park, reads:

TIM O'NEIL FIELD

Named in honor of a most Valuable Citizen
Boy Scout Commissioner
Builder of Character
A Friend of Youth

Seldom has such an honor been conferred upon a living citizen of Providence but seldom too has Providence or any other city been fortunate enough to produce such a sterling character and public benefactor.

He was an exponent of clean living, right thinking and square dealing, and never overlooked an opportunity to transmit his philosophy into the minds of his young friends. His many

years of association with the youth of our community in his capacities as a promoter of sports and counsellor to youth organizations has been a tremendous force for good in our city; nationally he has been rated in the forefront of the leaders in the field of recreation.

"Tim O'Neil", as he was well and familiarly known, was a native of this city and lived here throughout his life. A modest, humble man of gentle nature, he inaugurated a system of amateur baseball which was expanded from time to time until he had nine separate leagues with more than 1,000 active players operating on Rhode Island fields every Saturday afternoon, each graded according to the calibre of play and age of the players, providing entertainment and recreation for many more thousands of spectators.

At a celebration marking the 25th year of his presidency of the Providence Amateur League in 1927, leaders in all walks of life hailed him as "King of the Sandlots," a most deserved and appropriate title. A national magazine, in a feature article describing his methods and accomplishments, called him the "Most valuable citizen of Providence," and his name was placed with the Harmon Foundation for world recognition. Honor followed honor for his contributions to youth betterment and, although a man of modest means, he continued to serve his community with no thought of remuneration other than the satisfaction of having the complete confidence and friendship of all with whom he came in contact, and the knowledge that his efforts in behalf of his "boys" were accomplishing the goal towards which he had strived.

"Tim O'Neil", noted for his honesty and sincerity, was an exemplification of all that could be desired in a friend and neighbor. His unselfish devotion to the cause of youth guidance and training is a shining example of true citizenship. His contributions to the public good have brought honor and renown to his native city, and while its citizens mourn his death, they know that Providence is a better place for his having lived here.

(Approved March 24, 1947.)

RESOLVED, That the Minute on the life and character of the late Rt. Rev. James DeWolf Perry, D. D., S. T. D., be and the same is hereby adopted and ordered inscribed on the records of the City Council.

MINUTE

The Rt. Rev. James DeWolf Perry, D. D., S. T. D., Bishop of the Episcopal Diocese of Rhode Island, was the Titular head of his church in this State for the past thirty-six years prior to his retirement last year. In that capacity Bishop Perry served his church well and was an outstanding Civic leader in this community.

He was born in Germantown on October 3, 1871, the son of James DeWolf and Elizabeth Tyson Perry. A graduate of Germantown Academy, he later received his Degree of Bachelor of Arts from the University of Pennsylvania, and his Master of Arts Degree from Harvard.

After having received Bachelor of Divinity Degree at the Episcopal Theological Seminary at Cambridge, Mass., he was ordained a Deacon, and later a Priest by the then Bishop of Massachusetts.

Fortified with Theological and Civic experience, this prepared the then young Priest for his arduous church duties that were to follow. In 1911 he was consecrated Bishop of the Diocese of Rhode Island at St. John's Church on North Main street in Providence, with prelates from Eastern and Middle Atlantic States attending at the ceremony.

During the First World War Bishop Perry served with the American Red Cross Commission to France and was in constant contact with Rhode Islanders in that Field.

Bishop Perry by his outstanding contributions in church affairs of his denomination brought upon him the applause of Catholics, Protestants and Jews alike.

In conjunction with several honors bestowed upon him spiritually, he was also the recipient of various Academic honors, notably from the University of Pennsylvania and Columbia University.

Presiding Bishop Perry continued to carry on the work of the church of his choice until succeeded by the Rt. Rev. Granville Gaylord Bennett, D. D., in the latter part of 1946, following retirement which was short lived.

The citizens of the City of Providence and this State of Rhode Island bereave the loss of an outstanding Churchman, a Civic leader and a tolerant gentleman.

Whereas, The Federal Communications Commission, pursuant to the provisions of such Resolution, has requested the Mayors of the Cities of Providence, Pawtucket and Woonsocket to furnish the said Federal Communications Commission with such information as they might possess pertinent to the qualifications of the said Providence Journal Company to be the holder of such a license and the operator of such a broadcasting station, and

Whereas, The Providence Journal Company does now, and for sometime has, exercised a virtual monopoly on the publication of news through the medium of the printed word in the city of Providence and would, should the authority to construct and operate such a broadcasting station be granted it, extend and expand this monopolistic control over the publication of news within the city of Providence to publication by means of radio broadcasting, and

No. 580. Minute on the Life and Character of the Late Charles Peck Sisson.

(Approved August 18, 1947.)

RESOLVED, That the Minute on the life and character of the late Charles Peck Sisson be and the same is hereby adopted and ordered inscribed on the records of the City Council:

MINUTE

Charles Peck Sisson, former Attorney-General of Rhode Island, was born in Providence, February 9, 1890, a son of Charles and Elizabeth Davies (Eyre) Sisson. He attended Hope Street High School and Moses Brown School. Completing a Bachelor of Arts course at Brown University in 1911, he received a Bachelor of Laws degree from Harvard in 1914.

Mr. Sisson began his public career as an assistant in the City Solicitor's Office in 1915 and served the City of Providence in that capacity until appointed in 1919 to the office of Third Assistant Attorney-General of the State. He then successively served as Second and First Assistant and was thereafter thrice elected by the people as Attorney-General, in 1924, 1926 and 1928.

Mr. Sisson served as Providence City Chairman of the Republican Party from 1923 to 1926, during which time he was active in the movement for reorganization of the School Committee and the City's educational system. He sponsored the election of school board members by districts and sought to provide safeguards for the non-partisan nomination and election of committee members.

Mr. Sisson, while Attorney-General, was primarily responsible for the establishment and installation of a system of State Police in Rhode Island, the basis of which, since rigidly adhered to, have continued to furnish pride and command the respect of all.

Mr. Sisson was appointed by President Hoover in 1929 as Assistant Attorney-General of the United States and for three years in that office continued to discharge the high trust placed in him with the same high ideals and real purpose displayed earlier at home and which were characteristic of him until the time of his sudden passing on August 2, 1947.

Mr. Sisson, upon his return from Washington, continued his political activity while practising law. He assumed the leadership of his party in Rhode Island for a while, ran unsuccessfully for Governor in 1936, served as a delegate to the Republican National Convention, served as Chairman of the Providence Charter Commission and, in 1940, served as an advisor to Thomas E. Dewey in his quest for the nomination for President of the United States.

Mr. Sisson entered the service of his country as an Army Captain in September, 1942, and rose to the rank of Lieutenant Colonel. Following service in England and North Africa, he

served with the AMG in Italy and Germany as governor or judge. He was a member of the first court to try civilians in German territory.

Mr. Sisson gave unceasingly and untiringly of his time to public causes. He was a trustee of Brown University from 1925, a trustee of Moses Brown School and Lincoln School, active in and one-time president of the Family Welfare Society, and just a short time prior to his decease had assumed the chairmanship of the 1947 Red Feather Campaign of the Rhode Island Community Chests.

Mr. Sisson not only attained All-American stature on the gridiron while playing at Brown but exemplified throughout his life the simple, patient and strong qualities which make Americans great and beloved by their fellows. The City of Providence has lost a first citizen and all who knew Charles P. Sisson truly grieve his passing.

No. 581. Resolution Extending Sympathy to Councilman Aiello Upon the Defeat of His Soft-Ball Team.

(Approved August 18, 1947.)

Whereas, It is now public knowledge that Councilman Angelo Aiello, all-round athlete from the North End, by making two errors in the first inning of a baseball game between his own "Aiellos" and the "Fox Point Tigers" was the principal cause of the defeat of his club by a score of 14 to 4; and

Whereas, His loose play so upset the morale of his teammates that they suffered successive defeats in High Low Jack, 6 to 3; Cribbage, 3 to 2; and Fingers, 3 to 2; and

Whereas, These defeats have brought stinging rebukes to our fellow Councilman;

Now, Therefore, Be It Resolved, That the City Council does hereby extend to Councilman Aiello its sincere sympathy,

also a word or two of advice that hereafter it might be wiser to direct his team from the bench rather than to act as a playing manager.

No. 706. Resolution on the Life and Character of the Late James E. McDonald, Executive Secretary of the Housing Authority of the City of Providence.

(Approved October 17, 1947.)

RESOLVED, That the following Minute on the life and character of James E. McDonald, whose death occurred on Tuesday, October 7, 1947 be and the same is ordered inscribed on the records of this City Council.

MINUTE

James E. McDonald was a native of Providence and the son of the late James A. and Mary (McKenna) McDonald. He was born April 13, 1907.

He attended the public schools of East Providence and was graduated from LaSalle Academy in 1924. Providence College awarded him the degree of Bachelor of Science with honors in 1928. In National competition, he won the Knights of Columbus 5-year scholarship to Catholic University, where he received his Master of Arts Degree in 1930. Following three years of graduate work there he received his diploma from Beaux Arts Institute of Design in 1934. An artist of ability, his work was recognized in 1932 when he was presented with the Beaux Arts Gold Medal. He was a member of the faculty of Providence College from 1933 to 1939, teaching mechanics and mathematics.

Mr. McDonald was appointed Executive Secretary of the Housing Authority of the City of Providence in 1939 and his work in that capacity has been credited with the outstanding results accomplished in public housing in this City. The Providence Housing Authority through his capable, conscientious and painstaking co-operation has established a record that is without a peer in the National Housing field. The vast amount of preliminary work in connection with the proposed Veterans' Housing Program was nearing completion when his death occurred.

The community suffers a severe loss in his passing, and he is deeply mourned by his friends and associates.

The Providence City Council extends to his bereaved family its sincere sympathy and condolence.

No. 707. Resolution on the Life and Character of the Late Senator William G. Troy.

(Approved October 17, 1947.)

RESOLVED, That the following Minute on the life and character of the Honorable William G. Troy, whose death occurred on Wednesday, October 8, 1947, be and the same is ordered inscribed on the records of this City Council.

MINUTE

William Goodwin Troy was the son of the late Timothy and the late Isabel (Goodwin) Troy. He was born in Providence, October 5, 1880.

He attended local public schools and, following his graduation from Classical High School, entered Holy Cross College where he had an outstanding scholastic record. He received his Bachelor of Arts degree there in 1901 and his Master's degree eight years later. As a young man he entered the

newspaper field and worked on the old Providence Telegram and later served as City Editor of the New London Day. Former students at LaSalle Academy remember him as their instructor in the Classics. He also served as principal of Providence Evening High School.

Mr. Troy was engaged in the practice of law for more than 40 years, having received his law degree from Harvard Law School in 1907 and being admitted to practice before the Rhode Island Courts the same year. He was a prominent trial lawyer and represented the defense in many of the celebrated cases before the Courts of this State.

A liberal in politics, Mr. Troy early in life associated himself with the Democratic Party, and to it gave a lifetime of service. The year 1913 found him in the State Legislature as Assemblyman from the Old 12th Representative District. In 1917 he was elected the lone Senator from the City of Providence. Again from 1931 through 1936 he was in the State Senate as the choice of the electors in the 4th Providence Senatorial District. He also represented the same district from 1941 to the time of his death. His long Legislative experience plus his native ability and his proficiency in repartee, fitted him for the leadership to which he was chosen many times.

A capable and outstanding figure during his many years of public life, his death is deeply lamented by all who had the pleasure of knowing him as an individual and as a public servant.

The City Council on behalf of the citizens of Providence, expresses profound regret at his passing, and extends sincere sympathy to his bereaved family.

Owen McMann was a native of Providence and was the son of the late Thomas and Catherine (Goff) McMann. His death brings to an end one of the most colorful political careers this City has ever known.

The printed record shows that he was elected to the Common Council in 1905; that he served in the Board of Aldermen from 1907 through 1909 and again from 1911 through 1914; that he was a member of the Police Commission from November of 1930 until February of 1931 and he was Superintendent of Weights and Measures from March 31, 1941 until the time of his death.

There are other records of him that never reached the printed page but are etched in the hearts and minds of the thousands he befriended on his way through life. Many a "God Bless Ownie" was uttered by the Olneyville mill workers as they trod the snow paths he had plowed for them. When telephones were few and far between his was available day or night when sickness or anxiety called for a priest or a doctor. He counselled and advised and he gave of his time and his purse to hold families together. Everyone in the old 10th Ward knew his way to "Ownie's" house and was welcome there. Many the embryo policeman and fireman found his way to the little house on Joslin street.

As kindness begets kindness, Owen McMann became a powerful political figure in his Section. He won elections because he had the good will of his neighbors. He kept their goodwill because he was a man of his word.

He was, at times, the most maligned man in the City of Providence and at the same time perhaps the most sincerely

loved. Between these two extremes he was a man of simplicity, humility and of such high moral character that never was he known to utter an unclean phrase. He was ever on the alert to find young men of promise, and his constant thought was to do something for "his boys." He lived to see many of them in the loftiest positions in our City, State and Nation.

The deep sorrow of the community at his passing is assuaged with the comforting knowledge that the City of Providence is a better place for his having lived here.

(Approved November 4, 1947.)

Whereas, The situation in Palestine has deteriorated to the extent that an equitable solution to this most pressing international question can no longer be delayed; and

Whereas, The displaced and dispirited European Jews, still languishing in the assembly centers and former concentration camps of Hitler Germany, are facing their third winter since V-E Day in an unfriendly Europe where the disease of anti-Semitism still rages; and

Whereas, The General Assembly of the United Nations, comprising fifty-seven nations of the world, is now gathered in regular session to consider, among many vital international issues, the pressing problem of the future of Palestine; and

Whereas, The United Nations in May 1947 had taken cognizance of the critical nature of the Palestine situation by appointing a special investigating committee of eleven nations to examine this problem anew, and by instructing the committee to make recommendations for its permanent solution; and

Whereas, The United Nations Special Committee on Palestine the agency delegated by the nations of the world to investigate the Palestine problem—conducted an impartial study in accordance with its instructions, presenting to the General Assembly of the United Nations majority and minority reports for the settlement of the Palestine problem; and

Whereas, The majority report of that committee recommended a plan for the partition of Palestine, whereby there would be established within a period of two years, sovereign Jewish and Arab States with economic union, and specifically provided for the immediate immigration of 150,000 European Jews into the Holy Land; and

Whereas, The Government of the United States has endorsed the majority report of the United Nations Special Committee on Palestine in clear and unequivocal terms and has declared its readiness to assist in its implementation;

THEREFORE, BE IT RESOLVED, That the Council of the City of Providence, Rhode Island, hereby warmly commends the position taken by our Government in the United Nations as consistent with our country's traditional policy on Palestine and as in the best American traditions of freedom and justice; and

BE IT FURTHER RESOLVED, That we urge our country's delegation to the United Nations to be on the alert against attempts to whittle down the Jewish state area, and that they insist on such boundaries as will insure, rather than decrease, its viability.

No. 782. Resolution Extending the Felicitations of the City of Providence to Archbishop-Elect Francis P. Keough.

(Approved December 5, 1947.)

Whereas, His Holiness, Pope Pius XII, the Sovereign Pontiff of the Roman Catholic Church, has, by decree, elevated the Most Reverend Francis P. Keough, D. D. from the See of Providence, in the State of Rhode Island and Providence Plantations—the Country's smallest, most densely populated State—to the Nation's foremost arch diocese, as the Archbishop of Baltimore, highest ranking Roman Catholic See of America; and

Whereas, This worthy churchman has spent more than thirteen years in our midst enriching the spiritual, temporal, educational and cultural life of our community; and

Whereas, Archbishop-Elect Keough has practised and taught the virtue of charity to such a degree that thousands of Rhode Islanders take pride in the achievements made possible by his leadership with their co-operation of the Annual Catholic Charity Fund and other appeals for providing facilities for the care and maintenance of twenty-four agencies of mercy. As examples of the development of intelligent approach to difficult administrative problems and close to the hearts of so many are the institutions of St. Aloysius and St. Antoine, where institutional procedures have been completely eliminated and replaced with an environment conducive to the happiness and well-being of the orphan and the aged; and

Whereas, Archbishop-Elect Keough, by his humility, simplicity, generosity, patience, understanding, friendliness and exemplary conduct, has endeared himself to high churchmen, public officials, prominent citizens, indeed to everyone who had the privilege of meeting and working with him;

Now, Therefore, Be It Resolved, That the City Council of the City of Providence, Rhode Island, on behalf of the

citizens of our City, now extends to Most Reverend Francis P. Keough, Bishop of Providence and Archbishop-Elect of Baltimore, heartfelt gratitude for his many benefactions to the people of our City and State, the assurance that his administrative and personal excellence will never be forgotten and the sincere hope and prayer that he will be long spared to minister to mankind.

No. 804. Resolution on the Life and Character of the Late Philip V. Marcus, Esq., Former Councilman from the Second Ward.

(Approved December 19, 1947.)

RESOLVED, That the following Minute on the life and character of the late Philip V. Marcus, Esq., former Councilman, whose death occurred December 6, 1947, be and the same is hereby adopted, ordered inscribed on the records of this City Council, and a copy transmitted to the family of the deceased.

MINUTE

Philip V. Marcus was a native of Providence, and the son of the late Peter and Anna (Vial) Marcus.

He attended local public schools and after graduation from English High School, entered Brown University, where he was the recipient of the degrees of Doctor of Philosophy and Master of Arts. He prepared for law at Harvard Law School and received his degree there in 1910. In the following year he was admitted to practice before the courts of Rhode Island.

His interest in civic affairs earned him election to the Common Council from the Second Ward in 1938, and in 1940 he was chosen to serve in the City Council under the new charter which he had helped to frame as a member of the Charter Revision Committee, serving continuously until January of 1947. During the Council years of 1945-1946 he was a member of

the Board of Contract and Supply and during his years of service held membership on numerous Standing and Special Committees. His affable nature and co-operative disposition endeared him to all with whom he worked.

Mr. Marcus was a leader in the Zionist movement, having been President of the Providence Zionist District and the first President of the Touro Fraternal Association. His membership in numerous other fraternal associations attest to his friendly nature and sympathetic interest in his fellowman.

In addition to his professional, civic and fraternal interests, Mr. Marcus was ever a devoted husband and a kind, loving father, taking much pride in his family's accomplishments and being especially proud of his son's literary work, which recently won national acclaim.

His former associates, though grieved at his sudden passing, will long cherish kindly memories of the past, and this City Council expresses deep regret and sincere condolences to Mrs. Marcus and family in the hour of their bereavement.
