PROVIDENCE STREET DIRECTORY

COPYRIGHT, 1912, SAMPSON & MURDOCK CO., PROVIDENCE, R. I.

Giving the location of each street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list, the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No. 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Bridgman Street from 1191, showing that 1129 Westminster Street would come about half-way between Knight and Bridgman Streets.

Hear Ye! Hear Ye! Hear Ye!

We really do believe that a card in the directory is one of the cheapest and best forms of general publicity to be had. Our publications cover New England and New York States and are exchanged with others all over the U. S. Let us talk it over.
