Experience

Sister 2 Sister

(Afterschool Program Instructor)

- The after school program was designed to help middle school young girls grades sixth through eight. It focused on middle school experiences, education, healthy relationships, life skills, hygiene, group discussions, journal writing, self-esteem, bullying, coping with the stressors of middle school and strategies, and much more. The ultimate goal was to help preteen and teenage girls turn into beautiful respectable young women and getting them ready for the high school experiences.

We Love the Kids childcare

Receptionist: June 2016- August 2016

June 2017- August 2017

- Copying, Filing, sorting, basic bookkeeping procedures, along with types correspond, reports and documents. Answering phones with multiple lines. Dealing with customers on a daily basis along with collecting payments. Also operating all standard office equipment.

Northeast Behavioral Associates

HBTS: December 2014-June 2015

- One on one behavior support staff for autistic children, implementing a behavior plan. Duties included working with the family to teach life skills, basic grooming needs, educational struggles, community behavior, social skills and much more.

Providence School Department

Teacher Assistant: 2006 - Present

- Working with students of diverse backgrounds and various cultures. I have worked in various classrooms with students with ADD/ADHD, Autism,

Asperger's, Emotional and Social disorders, speech impairments, non-compliant behavior, learning disabilities, and physical challenges. Duties also include making copies for teachers and assisting students with their academic work.

After School Program Instructor: 2012 – 2013

- **Sisters with Voices** was an after school program for high school grades ninth through twelfth grade. It focused on life experiences, education, healthy relationships, life goals, hygiene, student desired group talks, journal writing, self-esteem, bullying, cooking classes, and much more. The ultimate goal was to help young teenage girls turn into beautiful respectable young women.

Autism classroom Assistant: 2013-2019

- Currently working in a self-contained classroom with students who have been diagnosed with mild/moderate autism and Asperger's syndrome. I help teach intensive direct reading and math instruction with a focus on literacy skills such as phonemic awareness, building vocabulary, phonics, and fluency, and counting money and telling time. I have followed the accommodations and modifications in each child's Individual Learning Program. Duties also include teaching social skills, fine and gross motor skills such as shoe tying, and grooming. I also assist in creating behavior plans and implementing them; as well as using reward systems for good behavior.

Salvation Army

Child Care Worker: Summer 2008 – Summer 2009

- Duties include arts and crafts, reading, problem-solving, and a wide variety of physical, emotional, and intellectual activities involving school-aged children of a different race, gender, and background.

Certified Nursing Assistant: 2004 – 2007

Bay Tower nursing center

- Duties include helping patients with daily care such as bathing, getting dressed, mouth care, ambulation, range of motion exercises, feeding, toilet training, etc.

Teacher Assistant: 2004 – 2006

Providence Head Start

- Duties include helping the teacher with the lesson plan, potty training, cleaning, helping to teach children with name recognition, numbers, and letters and fine motor skills.
