

Continuation Form  
 Summary Report  
 January 25, 2008

To insure accuracy, three methods were used to determine the percentage of returns in support of the continuation of the Downtown Providence District Management Authority and the Downtown Providence Management District.

All methods show support for the continuation well in excess of the required 60%. See attached for the detailed results.

The column titled “original assessed value from the assessor’s office” has the amounts as obtained originally from the tax assessor.

Total Continuation Forms	\$957,779,200.00	
-----	-----	= 87.9%
Total Assessed Value	\$1,089,038,100.00	

The column titled “updated assessed values from assessor’s office” is for any form that the owner had changed the original assessment figure and the new number could be confirmed with the assessor’s office.

Total Continuation Forms	\$943,747,900.00	
-----	-----	= 87.8%
Total Assessed Value	\$1,075,006,800.00	

The column titled “assessed values from returned forms” is for any form that was received with a changed value by the owner but could not be confirmed with the assessor’s office.

Total Continuation Forms	\$925,252,385.00	
-----	-----	= 87.6%
Total Assessed Value	\$1,056,512,285.00
