# RESOLUTION OF THE CITY COUNCIL

*No.*

*Approved*

RESOLVED, That the Director of Public Works is requested to reinstate the Rodent Baiting Program with regard to private property.

April 19, 1988 - It is my understanding that in 1987 the Law Department informed the Department of Public Works to suspend baiting of private yards because of the liability it placed on the City of Providence.

A handwritten signature in cursive script, appearing to read "G. J. ...", followed by a horizontal line.
