RE: Resolution No. 862  
Dated - 11/27/75

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause  
"YIELD" signs to be installed along Alton Street  
at its intersection with Andem Street.

Disposition: There is presently a traffic regulation establishing  
a "YIELD" control along Alton Street at its inter-  
section with Andem Street. We will check this inter-  
section for missing control signs.

Very truly yours,

*Frank A. Tibaldi*
