Dear Councilman:

Some time ago, I was requested by Mrs. William Wolkoff of 18 Lewis Street in Providence to investigate the possibility of having an additional street light installed near her home on Lewis Street. I can verify that there is very poor lighting on that street.

I would appreciate it if you would look into the possibility of having such a street light installed.

Thank you for your anticipated cooperation.

Very truly yours,

  
JOSEPH NUGENT, JR.
