# RESOLUTION OF THE CITY COUNCIL

No. 8

Approved January 3, 1964

WHEREAS, the removal of snow from City streets has, in the past, been a complex problem, often aggravated by natural and man-caused factors such as time of precipitation and vehicular traffic, and

WHEREAS, the present Director of Public Works Philip J. Holton, Jr., has put into effect a new system of snow removal and sanding and salting, supervised by Robert B. Strong, Chief of the Engineering Division, and William V. Lee, Superintendent of Highways, Bridges and Snow Removal and carried out by the combined efforts of Department personnel as a team, which resulted in praise from a grateful citizenry and from visitors who had reason to travel over snow cleared streets.

NOW THEREFORE BE IT RESOLVED That for the residents of this City and the non-residents, using City streets, a vote of sincere appreciation is adopted for Messrs. Holton, Strong, Lee and the personnel of the Department directly responsible for this outstanding feat.
