Mr. John Brennen, Councilman, Ward 3

We, the residents and taxpayers of Concord Street seek your attention and help in cleaning the debris and other problems that have accumulated in this area. Beneath the overpass that spans Concord St. there, litter, weeds, brush, making unhealthy, hazardous conditions to exist. There are many children on this street and motorists making the turn onto street are not aware of this because no warning of childrens signs posted.

Vacant lots blighted and neglected.

The turn at hill on Concord St. to Matilda Street is poorly lighted. The fire Box is not visible, it is not located near a street light. We the undersigned residents of Concord Street appreciate your time and effort in bringing this matter to the dept. heads of the City whom are responsible.
