Dear Richard,

Thank you for your letter of April 11, 1986. In response to your note I called and visited The Oliver Barrette Company and am happy to report that our friends welcome the address change and have signed the enclosed consent form to show you and the Providence City Council that they approve of the change.

We are going ahead with our plans on petitioning the Providence City Council to change the street numbers as indicated on the enclosed letter. We are including as part of our packet your note expressing concern for your tenants and the letter your tenants (Oliver Barrette) signed. However, the City Council will only grant our request pending your approval which means that we need to present them with the two letters of consent which have your signature.

I've enclosed two more copies of that letter for you to sign and return at your earliest convenience.

As an aside, we've offered to make labels and business cards for Oliver Barrette, Capitol Welding and Lorraine's Cafe to help them adjust to the new address.

Looking forward to hearing from you soon.

Cordially,

THE C. J. FOX COMPANY
