RE: Resolution No. 673
10/14/83

Dear Ms. Mendonca:

I am in receipt of the above referenced resolution concerning the replacement of NO PARKING signs along the westerly side of Douglas Avenue between Alicant Street and Mowry Street.

Please advise the sponser of this resolution that there are no traffic regulations in this area on the westerly side of Douglas Avenue. There is a NO PARKING area on the easterly side of Douglas Avenue and I have issued a work order to replace any missing signs. If a parking restriction is still desired on the westerly side, we will require that a signed petition be submitted to this office stating that all residents living in this area are in favor of such a prohibition.

Very truly yours,

Frank A. Tibaldi
Traffic Engineer
