The Honorable John J. Lombardi
City Council Office, Room 310
25 Dorrance Street
Providence, RI 02903

Dear Councilman Lombardi,

I'm pleased to be sending you the 2005 WaterFire season schedule. We are seeking your help in arranging for permission from the City Council for the normal street closings to accommodate the many visitors who attend WaterFire. The streets are the same as last year that have been approved by Traffic and Engineering, the Parks Department, the Police Department, RIPTA and the City Law Department. We will review these closings with them again this year as well. The exact details with the precise sections of street and the times affected for each night are appended. In brief the streets are:

College Street – the block between Memorial Blvd and North Main Street
Steeple Street – the block between Canal Street and North Main Street
Canal Street – the short one-lane connector from Steeple Street to Washington Street
Exchange Street – the block between Memorial Boulevard and Stillman Street
Westminster Street (only on ballroom nights) – from Memorial Blvd to Weybosset
Weybosset Street (only on ballroom nights) – from Custom House to Westminster
Washington Street – North parking lane between Canal Street and North Main Street

We have already announced nineteen (19) WaterFire dates to the public. The following schedule also includes three potential dates (in **bold**) that we would like to add as funding becomes available: May 7, May 28, June 3, June 5, June 11, June 21, June 25, July 9, July 23, August 6, August 13, August 20, August 27, September 3, September 10, **September 12**, September 17, September 21, September 24, October 1, **October 15**, and **October 29**.

Thank you once again for all your help. Please call me with any questions.

Sincerely,
