Apreciado amigo:

Lucgo de un afectuoso saludo, muy cortésmente me dirijo a usted con la finalidad de comunicarle lo siguiente:

Nuestra provincia de Hato Mayor figura entre las más pobres de nuestro país, condición que no le permite a sus autoridades ofrecer los principales servicios que demandan nuestras comunidades.

Los estudiantes residentes en el K.M. 15 de la Carretera que conduce Hato Mayor – Sabana de la Mar están atravesando por una situación altamente difícil por no disponer de un transporte seguro y confortable, que le permita asistir con regularidad y puntualidad al centro educativo más cercano, conocido como El Manchado, ubicado en el K.M. 5 de la referida carretera.

En consecuencia, solicitamos de usted facilitarnos la donación de un minibús que posibilite el transporte gratuito de dichos estudiantes, a los fines de garantizarles sus estudios.

Con sentimientos de gratitud y alta estima,

Muy atentamente,

May 26, 2006

To: City of Providence  
President Lombardi

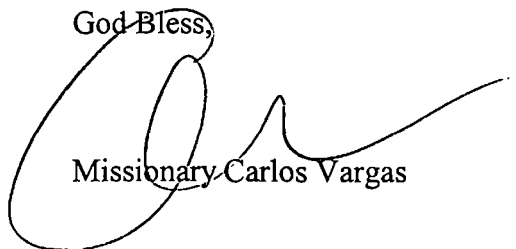

I have spoken to you over the years and hope that you are well. I am writing to request your help in acquiring an emergency vehicle for our ministry to aid the poor in Guatemala.

Please allow me give you a short description of the work we do for the poor. We began 20 years ago founding and organization to provide hope for the poor. Most of our work is done in the country of Guatemala, in remote areas where the people are extremely poor and have no means to provide a good living for their families. We currently support over 4,000 orphans, 10 elderly care homes, 10 nutritional feeding centers and also provide food to thousands of extremely poor people.

Currently we are in great need of emergency vehicles, we have to take our seriously ill children in the back of a pick-up truck to the hospital that is 30 minutes away. With this vehicle we will most assuredly save many lives.

I want to assure you that the City of Providence will be receive a great blessing through this donation and we personally thank you for your time.

God Bless,
