

THE CITY OF PROVIDENCE  
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

# RESOLUTION OF THE CITY COUNCIL

No. 68

Approved February 14, 1977

RESOLVED, that the Traffic Engineer is requested to undertake a survey as to the feasibility of invoking "No Parking One Side" on all City Streets which because of winter conditions render orderly flow of traffic impassible, cause traffic tieups, particularly for public service vehicles and create general safety hazards.

The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

RE: Resolution No. 68  
2/14/77

Gentlemen:

The Traffic Engineering Department has received the following resolution from your committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to undertake a survey as to the feasibility of invoking "No Parking One Side" on all City Streets which because of winter conditions render orderly flow of traffic impassible, cause traffic tieups, particularly for public service vehicles and create general safety hazards.

Disposition: We have made a survey in regards to your request and find that it is possible to invoke such a measure simply by this department promulgating a regulation and publishing it in the newspaper.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Frank A. Tibaldi".  
Frank A. Tibaldi  
Traffic Engineer
