Dear Councilman Xavier:

The Rhode Island Historical Society is seeking permission to block off Cooke and Benevolent Streets for a "Turn of the Century Garden Party" on Saturday, May 15 from noon to 5 pm at Aldrich House and Gardens.

The Garden Party, which is open to the public, will feature antique cars, music, theatre, plant sales, old films, and refreshments.

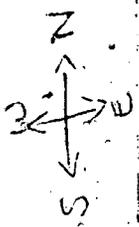

Beginning about 10 am, we would like to block off Cooke Street at the corner of Benevolent, Cooke Street at the corner of George, and Benevolent Street between Hope and Cooke and between Cooke and Governor. (see attached map). I understand from the Traffic Engineering Department that the request to close the street must pass the City Council.

We have notified the neighbors about the upcoming Garden Party and have taken care not to block more than two driveways. Please let me know if we should submit any further information. Thank you for your assistance on this matter.

Sincerely,

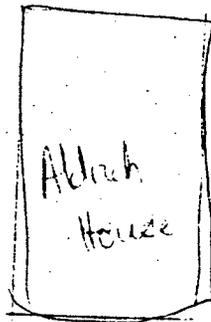

*Pamela Fox*
