Dolores,

Thank you so much for your interest in helping us here at City Side with our block parties. What we would like to do is be able to close off the portion of Peck Street which connects Pine Street and Weybosset Street on Friday and Saturday evenings from 6:00pm. - 2:00am through the summertime. This way we can serve dinner and possibly have outdoor entertainment. As I mentioned briefly during our phone conversation, we are a new restaurant and need the additional income we hope to generate, to get us through the summer. Anything you could do for us would be greatly appreciated! From what I was told, our original request approx. 2 months ago was misplaced so as you can imagine we are quite anxious to get started. If there is any additional information you need, please let me know and I will get it right to you. Thank you again Dolores. I will be looking forward to hearing from you.

Mae
