SUBJECT: CITY COUNCIL RESOLUTION NO. 663

Pursuant to the above-captioned matter, please be advised the Forestry Division has completed the requested removal of a tree located at 485 Plainfield Street.

As per my previous correspondence, I explained that the sidewalk repair would fall under the jurisdiction of the Public Works Department and therefore they should be so notified. Lou Bobola, Supervisor of the Forestry Division, has informed Public Works the sidewalk repair can now be undertaken.

Should you have any questions, please do not hesitate to contact my office.

I wish to advise you that in researching our Sidewalk Records, it has been determined that 485 Plainfield St., has been placed on the Sidewalk Program Repair list.

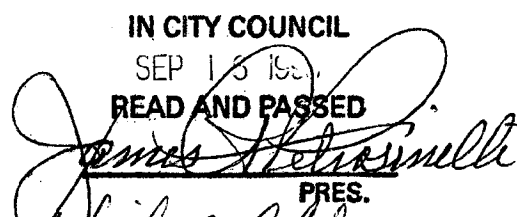

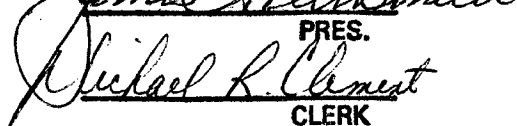

This repair will be done as soon as possible (weather permitting). The D.P.W.'s Sidewalk Division has over 2,500 Sidewalk Applications on file, and hopefully we anticipate a Sidewalk Funded Program this year.
