SUBJECT: Referral No. 1150 - ZONING CHANGE AT 754 TO 778 BROAD STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, April 12, 1960.

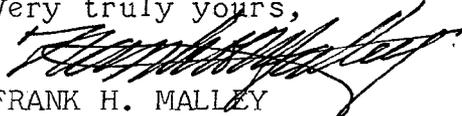

This referral is a request to change Lots 1036, 1037 and 1039 on Assessor's Plat 48 from a C-1 Limited Commercial Zone to a C-2 General Commercial Zone; said lots, together, forming a tract on the easterly side of Broad Street and bounded on the north by Reynolds Avenue and on the south by Potters Avenue being numbered 754 to 778 Broad Street. The area in question contains 17,995 square feet of land.

On an inspection and photographic survey it was determined that the commercial location contained a three-stall masonry garage and a three-story brick veneer and frame mixed occupancy dwelling on the northerly corner; a five-stall masonry garage and a partitioned one-story masonry building with five operational businesses on the interior lot and a three-story frame mixed occupancy dwelling on the southerly corner parcel of land.

The Commission
