PERSONAL PRIVILEGE

**COUNCILMAN DeLUCA requests to
Speak on a Point of Personal Privilege, and
states:**

"I rise this evening in support of the efforts being made on behalf of Saint Aloysius Home to keep their doors open. There is currently a Family Court Ruling to close the Home down and I refer to House Resolution No. 7554 requesting the Family Court to reconsider and Senate Resolution No. 1408 which is basically designed to keep the Home open and operating.

I would hope that the problems are identified and that whatever corrective measures are necessary be taken to ensure the safety and well being of all of the children living there and I would hope that the Home would remain open. It is a wonderful and unique facility and a great loss would be sustained if they shut down. Thank you."
