## City Council Internal Auditor

August 19, 1986

Councilwoman Carolyn F Brassil  
Chairperson, City Council Committee on Finance  
City of Providence

Dear Carolyn:

With regret, I am submitting my resignation as City Council Internal Auditor. My involvement with Hope Brewing Corporation necessitates my resignation. I request that the effective date of my resignation be August 29, 1986.

As you know, I have greatly appreciated the opportunity to have worked with you, the other Finance Committee members and the rest of the Council over these, often hectic, five years. I hope to be able to assist you in any way should the need arise. Please contact me if I ever can be of assistance.

Again, it was my sincere pleasure to work for a Committee, and especially its Chairperson, which brought Providence out of the fiscal crisis of 1981 and has consistently demonstrated good government at its best.

Sincerely,

Stephen Woerner
