Dear Councilwoman DiRuzzo:

Regarding the question of the future name of the Mt. Hope Recreation Center, it has traditionally been the Mayor's prerogative to initiate names for public buildings, with the final selection made in cooperation with the respective councilperson and the City Council as a whole. The PPBA suggests the naming of the center be made in cooperation with Mayor Cianci's office.

Thank you for the opportunity for input in this important matter.

Sincerely,

Robert F. Troiano  
Executive Director

RE: Mount Hope Recreation Center

\*\*\*\*\*

Please be advised that the Mayor's decision regarding the naming and dedication of the new Mount Hope Recreation Center is that whatever the neighborhood feels strongly about and your committee agrees to will be agreeable to him.

I would, however, request a copy of the suggested names and short bio regarding the same so that I may keep him apprised.

Thank you.
