

CITY OF PROVIDENCE RHODE ISLAND

The Credo of the Providence City Council is to be Industrious, to be Watchful and to Promote Peace. The bee, as a symbol of industry, is derived from the early colonial saying "Busy as a Bee"; the goose, as a symbol of watchfulness, is derived from the story of the goose whose cackling saved Rome; and the lamb, as a symbol of peace, is derived from the biblical use of the lamb as a symbol of peace.

PERSONAL EXPRESSION

COUNCILWOMAN JO-ANN RYAN Requests the privilege of the floor to speak on a Point of Personal Expression and states:

"I would like to rise on a Point of Personal Expression this evening to recognize the passing of a member of the council family. This week we lost Denise Solomon, the loving wife of past President Michael Solomon for those of you who do not know. Michael met Denise when he was just a teenager and they built an absolutely beautiful life together. Denise was born and raised in Providence, graduated Classical High School and quite honestly most proud of the beautiful family that they raised together. Michael and Denise have three beautiful daughters, seven grandchildren, daughters Tara, Lana and Lauren and three wonderful son-in-laws that made up their beautiful family. Denise was certainly their center of their life and, as many of us know anybody who's in public service, we are friendly at the heart of everything we do and that was surely and truly what Denise was to Michael. She is certainly going to be missed, she was loved in the 5th Ward community and I understand she was born in the North End and made her life in the 5th Ward with her loving husband. I want to recognize one of her favorite son-in-laws James Scott and he is actually in the hall with us this evening. I want to thank James also for what you do for the City of Providence. There will be a service at Saint George Maronite Catholic Church in Cranston this Saturday from 8:30 to 10:30 followed by a mass at 11:00 o'clock A.M. to celebrate her life. I will be there I would love to have members of the council join us in recognizing Denise's contribution to the City of Providence, but also supporting the Council President and all that he has done for our great city. I would also ask that this meeting be adjourned in memory of Denise Solomon. Thank you."
