RE: Resolution No. 824
Dated - 11/13/75

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to establish a "Loading Zone" along the curbline at 67 Benevolent Street.

Disposition: On November 18, 1975, we conducted a survey at the above address. It was noted and explained to the owner of the Savoy Liquor Store that NO PARKING ANY TIME exists in front of this store. We further explained that his problem is one of police enforcement.

Very truly yours,
