Thomas F. O'Connor, Councilman
City Council Office, Room 310
City Hall
Providence, Rhode Island 02903

Dear Councilman O'Connor:

At this time, there are 10 Narragansett Electric Co. poles located on the southwesterly side of the municipal wharf adjacent to Berths 3, 4, 5 and 6. In some instances there are flood lights mounted on these poles and in some instances they are not working.

I am requesting that a resolution be introduced to the City Council calling for those lights that are in place to be upgraded, and those that are not to be installed.

This proposal would result in approximately 8-10 new lights.

The installation of these lights would greatly improve safety and security at the Port.

Thank you for your consideration.

Very truly yours,

A handwritten signature in dark ink, appearing to read "John R. D'Antuono", with a long, sweeping horizontal line extending to the right.
John R. D'Antuono
