**Subject:** [EXTERNAL] Stepping down from GCSC

Hi Alex,

I regret to inform you I won't be able to attend GCSC any further. My responsibilities as the new Executive Director of an organization that is going through a lot of rapid and intense changes and facing many new difficult and exciting challenges makes it impossible for me to keep engaging thoughtfully and productively in this initiative. I hope you find a good replacement promptly, and if there's ever an opportunity to collaborate with you and our Olneyville residents, our doors are open.

Thank you for the opportunity.

Best,

**Eloi Rodas**
