Providence, RI 02903

Dear Mr. Clement:

In accordance with the Providence External Review Authority ordinance which became law last October I hereby recommend for appointment Mr. Daniel E. Driscoll of 60 Callan Street, Providence, to the PERA board.

Mr. Driscoll has bachelor's degrees in both criminal justice and psychology, as well as a master's degree in criminal justice. In addition, he recently completed a certificate program in nonviolent crisis intervention. As a current assistant professor at Johnson & Wales University, Mr. Driscoll has a great interest in the community and improving relations between citizens and police officers.

Therefore, it is without hesitation that I recommend Mr. Driscoll for appointment to the PERA board. I am certain that he will make an excellent addition. I respectfully request that this matter appear on the next city council docket, dated April 3, 2003.

Thank you for your prompt attention to this important matter.

Sincerely,

OBJECTIVES

Seeking a volunteer position, acting as a representative of the community. I believe that the bedrock of a good police department is a shared set of values between the citizens and police officers. Police authority emanates from the people and it should be exercised understanding that there is a partnership between the citizens and the police in the pursuit of a better quality of life. I pledge to take this position as a public trust and objectively evaluate each incident and make appropriate recommendations.
