Dear Mr. Clement,

In researching the Department of Public Parks site map and records, our conclusion is that the proposed abandonments of the above named streets or portions of them, will in no way conflict with any Parks Department facility or future plans for the areas.

Therefore, the Department of Public Parks has no objection to the proposed abandonments.

Enclosed are maps indicating the streets in question colored in red and the nearest Department of Public Parks facility colored in green.

Attention: Rose M. Mendonca, City Clerk

Re: Referral No. 2204 - Abandonment of northern terminus of Perrin Street

Gentlemen:

The City Plan Commission at its January 21, 1987 regular monthly meeting reviewed and evaluated the subject referral from your Committee.

The petitioner is Mr. Ronald L. Tarro and Ms. Blanche Tarro of 24 Freedom Road, Providence, Rhode Island, owners of adjacent property described as Assessor's Lot 393 on Plat 94.

A field inspection revealed that the aforesaid portion of Perrin Street is a dead-end street, partially paved and used by the owner of adjacent Lot 702 as a driveway to his garage. Perrin Street continues further as a paper street for a distance of approximately 900 feet to its southern terminus on Hillcrest Avenue.

The land on both sides of the "paper" portion of Perrin Street is vacant and heavily overgrown with hardwood trees. There are some pools of water and a few rock outcroppings. The southern portion of Perrin St. runs through a meadow which overlooks Hillcrest Avenue from a 25 ft. high solid rock ledge.

All this vacant land except the meadow is situated within a topographical bowl to which the only possible access could be developed from the northern terminus of Perrin Street.

Since the proposed abandonment of the northern terminus of Perrin Street would jeopardize and deny a legal and physical public access to numerous parcels of undeveloped land and prevent a harmonious future street system in the area, the Committee voted: to advise the Committee on Public Works that this petition be denied.

Sincerely yours,

Kathleen D. Field

Dear Mr. Clement:

Last Wednesday, March 11, 1987, I appeared before The Committee on Public Works hoping to get an explanation of what I would have to do if Perrin Street was abandoned. I do not know how my presence was construed.

The house at 30 Freedom Road was built in 1965 and I moved in with family on November 25, 1965.

In 1966, a two car garage was built on one end of my property and I had the half of Perrin Street abutting on my property paved from Freedom Road to the garage.

During the past twentyone years, I considered the paved part of Perrin as part of my estate and I have kept it in very good conditions.

Hence, I fervently and respectfully request that, that part of Perrin Street Abutting on my property be abandoned and Deeded to me.

Respectfully Yours,

Domenico A. Ionata
