Re: Resolution Requesting Street Closings, No Parking
Signs and Street Sweeping for Providence Preservation
Society Festival of Historic Houses.

Dear Mr. Clement:

The 1992 Festival of Historic Houses, which is sponsored by The Providence Journal Company and the Swarovski companies of Rhode Island, will be held on June 5th, 6th and 7th. We would very much appreciate your assistance with the closing of streets, the cleaning of them and certain no parking areas. I have spoken to Rita Williams, who suggested that I write to you with copies to the Council members for the districts involved.

Based on review of our tour routes, I respectfully request that the following streets be closed to vehicular traffic (other than local traffic and the busses provided by the Society) on the dates and times indicated:

Friday, June 5 and Saturday, June 6 from 5:30PM to 11:00PM

- Congdon St. between Cushing and Jenckes Sts.
- Cushing St. between Prospect and Congdon Sts.

Saturday, June 6 from 9:30 AM to 4:30 PM

- Benefit St. from John St. to Sheldon St.
- Transit St. from Benefit St. to Brook St.

Sunday, June 7 from 11:30 to 4:30

- Dexter St. between Cranston and Division Sts.
- All of Division St.
- All of Hammond St.
- Harrison between Westminster and Duffee Sts.

Mr. Clement

In addition, I would like to have no parking signs posted two hours prior to the tours in those same areas on the above dates.

If at all possible it would be very helpful if the above mentioned streets could be swept of winter sand etc. prior to the tour weekend. The Armory District is particularly important as it was missed last year and the residents had to deal with the heavy sand and debris themselves.

On behalf of the Society, I would like to thank you for your assistance in this matter. Please call me at 831-7440 if you have any questions.

Sincerely yours,

Ann Spencer
Festival Administrator
