To: Colonel Walter J. Clark, Chief of Police

From: Lieutenant William V. Devine, Director, Traffic Bureau

Subject: New Street Number Along Taft Ave.

Sir:

The Solomon Schechter Day School is a new structure attached to the Temple Emanu-El school between 77 and 99 Taft Ave. It is, however, a separate and distinct structure with its own entrance which is clearly marked. Therefore, it is my recommendation that the City Council Resolution assigning a street address of 85 Taft Ave. to this school be approved.

Respectfully submitted,

Chairwoman, Urban Redevelopment
Renewal and Planning Committee
Providence City Hall
25 Dorrance Street
Providence RI 02903-1789

Dear Councilwoman DiRuzzo:

In reference to the proposed resolution to give the Solomon Schechter Day School a new street address of 85 Taft Avenue for its entrance which is located between 77 and 99 Taft Avenue. Our recommendation is to approve this resolution based on the fact that it conforms to the sequence of numbers within the block on Taft Avenue.

I am satisfied that this change will not compromise the numbering system in the City of Providence. The logical assignment of this number will maintain the efficient delivery of mail and emergency services to the community.

I would like to express my appreciation for your notifying the Postal Service of the proposed resolutions for the city, and I hope our input is of assistance to you and the City Council in making a decision. If it would be beneficial, we would be more than willing to sit down to discuss this or any other address issues with you or members of your committee.

Sincerely,

Wallace Kido
