AFFIDAVIT OF COMPLIANCE FOR INSURANCE OR OTHER FINANCIAL RESPONSIBILITY

The undersigned (hereinafter referred to as "applicant") swears that, in compliance with Title 31, Chapter 47 of the General Laws, Motor and Other Vehicles, known as the Motor Vehicle Repairs Act, he/she will not operate or allow to be operated the motor vehicle described in this registration nor any other motor vehicle unless all such motor vehicles are covered for financial security.

Because of a concern over the rising toll of motor vehicle accidents and the suffering and loss thereby inflicted, the legislature determined that it is a matter of grave concern that motorists shall be financially able to respond in damages for their negligent acts so that innocent victims of motor vehicle accidents may be recompensed for the injury and financial loss inflicted upon them. The aforementioned act was passed to address such concern.

The act requires every natural person, firm, partnership, association or corporation registering a vehicle or renewing the registration of a vehicle to aver that he/she will provide financial security on same.

That obligation will be met by maintaining a policy of liability insurance with bodily injury limits of \$25,000 to any one person and \$50,000 to two or more persons in any one accident along with a limit of \$25,000 for injury to or destruction of property of others in any one accident or a combined bodily injury and property damage liability limit of \$75,000; OR by filing with the assistant director for motor vehicles in the Department of Administration a financial security bond in the amount of \$75,000; OR by making a financial security deposit with the assistant director for motor vehicles in the Department of Administration in the amount of \$75,000; OR by qualifying as a self insurer.

Penalties for failure to comply with the provisions of the act may result in fines and/or suspension of your license and registration.

The existence of this act and its requirements does not prevent the possibility that the applicant may be involved in an accident with an owner or operator of a motor vehicle who is without financial responsibility.
