Dear Councilman Clarkin:

This letter is in regards to the original Resolution to block off Gulf Road from Loring Avenue and a portion of River Road at Irving Avenue for a one-year period.

Lieutenant Timothy Lee, Commanding Officer, Traffic Bureau, spoke to Councilwoman Williams and advised her he has no problem with the proposal. However, during a second conversation with the Councilwoman, she informed the Lieutenant that the original plan may be "scrapped" for a plan which utilizes signage and speed bumps.

The Lieutenant has been invited to attend the Public Works Committee meeting regarding these issues the first week of October.

If you require further discussion regarding this matter, please do not hesitate to contact Lieutenant Lee at 272-3121, ext. 2133.

Sincerely,

SUBJECT: Resolution for Requesting Blocking a Street
Gulf Road and a Portion of River Road
Providence, Rhode Island

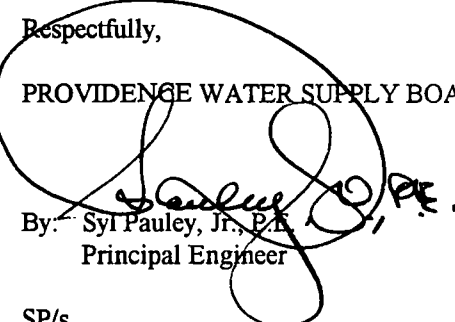

Dear Councilman Clarkin:

The referenced Resolution has been reviewed for any impact on the Providence Water (PW) water distribution system. Our records do not indicate any water system related infrastructure within the limits of proposed roadblocks at Gulf Road from Loring Avenue and a portion of River Road at Irving Avenue. Accordingly, PW does not oppose this abandonment.

If you have any questions, please feel free to contact me at (401) 521-6300 EXT 7241.

Respectfully,

Re: Petition to Block off Gulf Road from Loring Ave to Irving Ave., Providence
ProvGas Requests Access

Dear Ms. Bestwick:

Providence Gas owns and maintains a gas main within the proposed block off area. We own and maintain a 16" gas line which crosses the Providence River via Gulf Road. We will require access to this road twenty-four hours a day seven days a week to maintain these facilities. If this road is blocked via a gate we will require a key to enter. This line is the major feeder line between East Providence and Providence.

If you have any further questions, please feel free to call me at 401- 272-5040 extension 573.

Sincerely,
