INVOCATION

The Invocation is given by **Imam Farid Ansari**.

"I would like to thank the City Council, particularly Councilwoman Nirva LaFortune for the opportunity to deliver this invocation. With the name of God, the Merciful Benefactor, the Merciful Redeemer, we give thanks and praise to God, the Guardian evolver and Lord of all systems of knowledge and science, the one who bestows His favors upon those who follow His guidance. As we witness the earth and its renewal of spring, it should serve as a sign of how God brings life from what appears to be a dead earth. Our scripture tell us to reflect upon these signs for our contemplation and reflection. It is God who is the cause for this growth and development. Our success as a community, a city, a nation is dependent upon the provisions that our sustainer provides. May we be forever mindful of Our Creator's will, that we give Him honor and praise. It is for He who is the source of all honor, the source of blessings of His Providence. Therefore, I pray, Our Lord, God, assist our City Council and its members in their deliberations in the administration of our human affairs. It is He to who we trust. The one who never sleeps nor slumbers. It is He to whom we ask for His blessings, the all Aware. May His peace prevail over the violence and decay which many of our cities are experiencing. Keep our city safe from all that brings harm and grant us peace and security. We humbly ask and submit to Your will and pray to aid our leaders to follow that which is the best and most excellent. Amen."
