June 28, 1960

To the Honorable the City Council of Providence

Honorable Gentlemen:

The City Council Resolution of June 2, 1960, requesting the Commissioner of Public Safety to study the warranting of employing women Parking Checkers on a 48 hour weekly basis, was referred to the Chief of Police.

After consultation and study by the staff of the Traffic Bureau it was determined that the employment of women checkers for 48 hours is not feasible and also not required. The Chief concurred in this finding.

I am in agreement with the Chief and his staff that a 48 hour work period for these women is not indicated by present conditions.

Respectfully submitted,

REF: 2808

The Honorable City Council
City Hall
Providence, Rhode Island

Gentlemen:

We have investigated your request concerning the need for boulevard "Stop" signs at the intersection of Congress Avenue and Niagara Street. It was found that motorists are parking too close to the intersection. We have taken steps to eliminate this condition.

However, the accident record and relatively light volume at this location do not warrant the establishment of "Stop" control at this time.

Very truly yours,

Roger T. Chandler
Traffic Engineer
