0714	Ownership Unknown (on parcel 522 of W. R. Page)	A-11	813		Near Spruce Brooke, east of Wilbur Hollow Rd.	Indian (?) burial place		Nov. 10, 1916	
0715				Kent				Apr. 24, 1917	Cont. #3, Stations 13+25, Conduit, 24+50, Dam; looking South. General view of plant assembled and the excavation. Stripping of top soil by hand-gang in foreground. Steam shovel in background. Note boulders. Station denotes location of Camera 75 ft. north of center line of dam and 25 ft. east of center line of stream control conduit.

Photo #	Owner of Property	Sheet	Parcel	Photo Location	Street Location	Photo Description	Corresponding Photo(s)	Date	Notes
0716				Kent				Apr. 24, 1917	Cont. #3, Stations 15+25, Conduit, 24+50, Dam; looking north. Showing particularly the boulders in conduit excavation. Characteristic small boulders in foreground near the water. An exceptionally large boulder in middle ground and more than average size of boulders in background. Station denotes location of camera, 150 ft. south of center line of same and 25 ft. east of center line of stream control conduit.
0717				Kent				Apr. 24, 1917	Cont. #3, Stations 15+25, Conduit, 24+50, Dam; looking south. 18-ton Osgood Shovel loading into wagons. Gasoline diaphragm pump unwatering pit of water coming in front surface of ledge on left. On right more than usual size boulders accumulated, ready for drilling and blasting. Man in right foreground standing on ledge. Station denotes location of camera, 150 ft. south of center line of dam, and 25 ft. east of center line of east control conduit.
0718				Kent				Apr. 24, 1917	Cont. #3, Stations 17+30, Conduit 24+50, Dam; looking north. General view of entire cut. Excavation by steam shovel in foreground. Hand gang stripping soil, background. Concrete plant on the left. Station denotes location of camera 330ft. south of center line of dam, and 25ft. east of center line of stream control conduit. Physical Missing
0719				Kent				Apr. 24, 1917	Cont. #3, Station 16+60, Conduit 25+50, Dam; looking west, along down-stream coffer dam. Scraping muck from old river bed in foreground. Fluid muck dragged to centrifugal pump on right not shown. Embankment of cover dam in distance. Station denotes location of camera, 260 ft. south of center line of dam, and 125 ft. east of center line of stream control conduit.
0720				Kent				Apr. 24, 1917	Cont. #3, Station 16+60, Conduit, 25+40, Dam; looking southeast. In foreground old river bed from which much was scraped. Fluid muck removed by centrifugal pump. Spoil bank for waste material in background. Station denotes position of camera, 260 ft. south of center line of dam, and 115 ft. east of center line of stream control conduit.
0721				Kent				Apr. 24, 1917	Cont. #3, Stations 13+75, Conduit, 23+00, Dam; looking southeast. Concrete plant including crusher, screens, cement house, stuff-leg derrick, storage bins and sand and stone piles. Station denotes location of camera, 25 ft. north of center line of dam, and 125 ft. west of center line of stream control conduit.
0722				Kent				Apr. 24, 1917	Cont. #3, looking northeast at the Contractor's camp. Showing two 24-man houses.
0723				Kent				Apr. 24, 1917	Cont. #3, looking southeast at the Contractor's camp. Showing commissary on right, cook-house and 24-man house on left.
