

RESOLUTION OF THE CITY COUNCIL

No. 309

Approved May 7, 1985

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Department of Building Inspection subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated and further provided that the Director of the Department of Building Inspection may authorize minor changes in the structural detail of plans on file, viz:

Merit Oil Corporation, 83 Point Street, Plat 21 and Lot 298, One (1) New Six Thousand Gallon Kerosene Storage Tank, and One (1) New Kerosene Dispenser Pump, making a total of Fourteen (14) Pumps, and Forty-Six (46) Thousand Gallons Storage Capacity upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Director of Department of Building Inspection, or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.

Committee on Public Works
City Hall
Providence, Rhode Island

Dear Mr. Petrosinelli:

Since I will not be able to attend the Public Hearing, I would like to submit this second letter of objection to the application of Merit Oil Corporation for their kerosene products installation.

This would not be in keeping with the improving retail and office businesses that are coming into this area, and would add greatly to the traffic flow that is increasing in this area, and make the area less attractive for new business.

Very truly yours,

John M. Mesrobian

RE: APPLICATION OF MERIT OIL CORPORATION

Dear Mr. Petrosinelli,

Unfortunately, I was unable to attend the public hearing on Wednesday, March 27, 1985 regarding the Application of Merit Oil Corporation. I want it noted that I strongly object to the installation of the new kerosene pump as it will clearly create much more traffic in an area and an intersection that can not accomodate the traffic now. There are at least two accidents at the intersection of Point St. and Richmond St. per month.

Sincerely,

John A. Bisceglia
President
