*Colonel Walter B. J. Maroney*  
CHIEF OF POLICE

March 26, 1976

Mr. Vincent Vespia  
City Clerk  
City Hall  
Providence, Rhode Island

Dear Vin:

In response to Resolution 44 of the City Council dated February 12, 1976 in that a Crossing or Policeman be assigned to the intersection of Sayles Street and Gordon Ave. be granted, the present table of organization is funded for ninety-five (95) Crossing Guards and presently we have the full complement.

To fulfill this Resolution, I believe the City Council would have to change the table of organization and also grant funds to pay for this position. As for a Policeman to be assigned to this intersection, because of the shortage in this department of sworn personnel because of illness, vacations etc., I cannot assign a man permanently at this location for the purpose of crossing children, but I will attempt to do so whenever possible.

Sincerely,

*Steve*
